OPEN TO ALL REGISTERED AND FINANCIAL MEMBERS (Under 6 - Under 16 Athletes) OF FRANKSTON LITTLE ATHLETICS CENTRE

NOTE: First Event starts at 8:00am and the program will conclude at approximately 2:30pm. A final timetable will be published on our website in the week prior.

Please read all information below for details about the event/conditions of entry and answers to Frequently Asked Questions.

Entries:

Entries will be processed using ResultsHQ this season – log in to your family portal by going to https://resultshq.com.au and register by clicking on 'Nominations'.

Help with accessing the online portal can be found by clicking here.

All entries are to be completed online and payment received by 11:59pm on Saturday 14th March 2020. There will be no paper based entries this season, and **no late entries will be accepted under any circumstances.**

You can log in and edit which events you have entered up until the closing date/time. Requests to alter events chosen by an athlete cannot be made after this date/time.

If any events are flagged as a 'clash' whilst registering, please disregard and rest assured that you can still select those events – see 'Timetable' below.

Important: The event times and flag locations listed in the registration/nomination portal are based on the 2019 timetable and are to be used as a **guide only.** They are subject to change once entries close and numbers are finalised – see 'Timetable' below.

Entry Fee & Payment:

$6.00 per event or $25.00 for 5 events (maximum of 5 events per athlete). As event costing, scheduling and official's rosters are based on entries received, there are strictly **no refunds available once entered.**

Payment can be made online using Visa/MasterCard or PayPal (including debit cards) up until the entry cut off time (11:59pm on 21/03/2020). There is no transaction fee charged by ResultsHQ.

Alternatively, payment can be made in person via Cash or EFTPOS in the pavilion on normal competition days up until 8:00pm on Friday 6th March 2020. *Please note that if you elect to use this option, payment must be received by this date and time as otherwise your entry will be automatically deleted from the system and your athletes will not be able to compete.*

Confirmation of Entry:

Once your entry is complete and payment is received, you should receive a confirmation email. If not, please contact Malcom Huddle (malcom.huddle.flac@gmail.com) to check the status of your entry.

Timetable:

The first event commences at 8am and the program will conclude at approximately 2:30pm. The final timetable/program for all events will be published on Monday, 16th March 2020.

The program is subject to change without notice.

A copy of last year's timetable can be accessed **here** - however please note that this is intended to be used as a **guide only**, as events may be combined or times changed depending on final entry numbers.

As event costing, scheduling and official's rosters are based on entries received, entries cannot be changed or refunded after entries close on 14/03/20, regardless of timetable changes.

In the event of a timetabling clash, *track events take precedence over field events.* Athletes will need to leave their field event to compete in their track event, and athletes will be able to return to their field event once their track event has concluded.

Marshalling:

Athletes are required to marshal at the appropriate flag (as indicated once the timetable is published) **at least 10 minutes prior to their event's scheduled start time**. Announcements will be made as reminders, but individual athletes will not be called over the PA system.

It is the parent and athlete's responsibility to ensure they marshal on time.

Athletes not present by their event's scheduled starting time will be considered as having withdrawn from that event.

Competition Conditions: Full and correct FLAC Centre Uniform (including Coles and Subway patches) must be worn, or athletes may be disqualified and centre records (if applicable) will not be recognised.

The FLAC Executive/Organising Committee reserves the right to cancel or merge any event with insufficient entries (minimum of 3 entrants per event).

No protests will be allowed or entered into. The decision of the Competition Director is final.

Where age groups are combined for timetabling purposes, any official Centre Record achieved will be acknowledged.

The program is subject to change without notice.

Field Events: In field events the best of **four** tries (except high jump) will be judged as the winner.

In the event of a timetabling clash, *track events take precedence over field events.* Athletes will need to leave their field event to compete in their track event, and athletes will be able to return to their field event once their track event has concluded.

Finalists/ Medals/Ribbons: Where heats are required for track events, the first place in each heat then the next fastest times will be used to make up the final.

Medals will be awarded to 1st, 2nd and 3rd place. Ribbons will be awarded to 4th to 8th place.

Where age groups are combined for timetabling purposes, results will still be recorded and recognised from each age group **separately** (ie, as if the event hadn't been combined). Medals and ribbons will therefore be awarded to each age group separately.

Duties: Parents must select a duty (one per family) when entering online in order for their child(ren) to be eligible to compete.

*Duties for Centre Championships Day are **additional** to any duties you may have performed throughout the season.*

Duty is structured differently to a normal competition day – there are slots throughout the day to choose from at different events (maximum 1.5 hours long).

It is a 'first in, best dressed' system – so get in early to secure the slot you would like. Swaps to another available slot can be done by logging back in to the ResultsHQ family portal.

There are no exceptions to this requirement. If you cannot personally perform the duty you have signed up for, you must arrange for someone else to complete it on your behalf.

Athletes whose parents refuse to do duty will be disqualified from competing and be ineligible to be presented with medals or ribbons.
