Zone 10 News -

Zone 10 Find us on: facebook

The days of print media will never die BUT the days of technology are here – and here to stay. **Facebook** – we have all heard about – both the good and bad. We all know someone who is on it and basically, for the "younger" generation, if you are not on it, you are asked why? For the majority of our readers though, it is something that is not greatly understood and therefore is not embraced or even thought about. Well Zone 10 needs to keep pace with the world around us and in doing so, has embraced Facebook!! We have our own Facebook page where you will find the very lastest scores and results, photos and tournament entry forms plus information from Clubs. Most Zone 10 Clubs have their own Facebook page and as a member, this is one of the easiest ways to keep up with the facilities and events within your Club.

You do need to have an account with Facebook to be able to access this site, but don't be scared!!! This is not Big Brother and **your** privacy is **yours**. You can remain anonymous if you

want and just "visit" the site when you want to – or you can fully embrace it and post comments on the happenings within Zone 10 – either way you will never miss a thing!
For all those who don't have an account – give it a try. If you have access to a computer, then I am sure there is someone in your family circle or a friend that can help you get set up – if you don't like it, simply close your account.

I would encourage all those who already have a Facebook page to "Like us on Facebook" as soon as posssible and be apart of our Zone 10 network. The more "Likes" we get, the more our information is spread around our friends locally and also around the globe!!
We look forward to you joing our "family" – ZONE 10

2013 Mixed Pennants Season

The 2013 Mixed Pennants season will commence Saturday 28th September with entries closing

Friday 30th August

Please get your entries in before you miss out.

Starting Date – Saturday 28th September
Time – Saturday 8.40am – 12.00pm
Duration – 6 Weeks from 28th September
Format – 2 Rinks x 4 Players / 2 Ladies + 2 Men (play in any order) 18 Ends

Reminder – Zone 10 Management Meeting

Wednesday 9th October @ Dundas Sports – 7.00pm

The 2013 Champions League has commenced with just over half the matches (24 of 45) completed. There are however some of the teams that have not played the same amount of matches at this stage, so it still is really a very open Championship and all matches will have a major bearing on the final ladder positions. At this stage though the battle is all uphill for The Hills & Wenty Leagues who have not won a match yet despite some very close results. Our other Zone 10 club, Merrylands, started off a little shaky in their title defence with losses to Mount Lewis & Taren Point, but have hit back since and won their past 4 matches. Warilla Gorillas seem to be the team to catch after claiming 56 out of a possible 60 points in the only 4 matches played by them. But the Taren Point & Mount Lewis line ups are snapping at the leaders heels so the next round, to be played 14th September will be keenly contested.

The team skipped by Richard Summerhayes was successful in taking out the Brush Park BC Fours final with a 1 shot win over a very determined team led by Peter Murphy. It was 16 all going into the last end and Richard's team was able to secure the one shot which decided the outcome.

HUNTERS HILL CLUB

A call out to all bowlers to submit entries to the Jacob's Creek Tournament for 20th September - $1890.00 prizemoney is on offer and it is 4 games of 12 ends for Grades 3 to 7 (2 Bowl Triples)

The final of the Club Triples was Tim Burt, Nick Oppedisano, Robbie Rose 22 defeating Darrick Amos, Ian Ross, Charles Phillips 14. It was a very enjoyable match that was much closer than the end score reflects. The winning side combined well but it must be said that Robbie Rose was the difference on the day putting on a superb display of bowling ensuring the victory for his side.

A very happy Scott Foster & Jeremy Roach combination proved to be unbeatable again after claiming their 2nd Pairs Championship in row recently at Merrylands

Northmead BC lost one of its favourite sons earlier this month, with the passing of Brian Burns after a long battle with illness on August 14th. "Lemon Drop" was a terrific bloke, who in many ways was the heart and soul of the club. His funeral service was held last Friday at Northmead Bowling Club, which had the club bursting at the seams. Near on 700 people attended the service which was a fitting tribute to a man that was held in such high esteem by all those that knew him. To his wife Lyn, sons Jason and Scott and his extended family, we offer our deepest sympathies. We are all the richer for the time we had with such a great bloke. Plans are already underway for a way to honour his memory.

RIP Lemon Drop.

North Ryde RSL will hold it President's Day Saturday 31st August, commencing at 9.00am and include a BBQ Lunch

Pennant Hills Bowling Club - Mixed Pairs Final and what an exciting Final. John Archer and Robyn Procter faced up to Steve Partridge and Jenny Partridge. Both teams had played well throughout the tournament and posted some good wins to reach the final.
John & Robyn jumped to an early lead but were soon caught by the determined Partridges. A close tussle continued to enthrall the spectators who were enjoying a superb afternoon of bowls and glorious late winter sun. The match was tied at 18 all on the 16th end. With just one shot cored on the 17th, many thought there was a strong possibilty of an extra end being required. Alas fortune is a fickle friend and Steve and Jenny out bowled their opponents in the last few ends, picking up a 6 then a 4 then 3 to seal the match 32-18. Congratulations to all who entered the tournament and especially to the finalists. A worthy victory to Steve and Jenny.

Phil Briggs and Graham Davis represented us in the Zone Rookies Pairs and whilst they managed to win their sectional play they unfortunately lost the semi-final, congratulations to both on a great effort.

The Final of the Putney Tennyson Pairs championship was finalised with Derek Kidd & Sam Hatch-Caccamo defeating Bill Jazprizza and Jim Welsby 23 – 19, with Sam clinching victory by trailing the jack on the final end to pick up 4 shots. Sam is in the Zone 10 Junior Team and Derek Kidd has only started bowling this year and has made great progress and they have claimed the scalp of a very experienced team.

2013 Bowls NSW Volunteer Awards

For the first time last year and with the help of The Hon Graham Annesley MP, Minister for Sport and Recreation, recognition was given to some of our volunteers at our inaugural Volunteers Awards.

As our CEO, Greg Helm has observed, *"it makes no difference how you are engaged in the sport. The current success, health and strength of the sport of bowls and the Association and its sustainability into the future depends on the actions of each of us today. Clubs and an association that are flourishing with enthusiastic members participating in the sport will naturally grow."* And our volunteers are a big part of this dynamic.

The 2013 Volunteer Awards will be held on Thursday 28 November 2013. We ask for your assistance in identifying and putting forward those people who you know are making a difference. Do you have someone in your Club that is deserving of a nomination???

Deadline for nominations is Monday 28 October 2013.

Introduces Smoke-Free Greens for State Finals

The Latest on Smoking Status on Greens

The Bowls NSW Board has today taken the positive step of ensuring all future State Finals of Association Events as well as Inter-Zone Sides Championships are played on "Smoke-Free Greens" with smoking to be banned on the greens during play for all players and officials.

The action is a result of constructive feedback from numerous members on the issue and the appreciation of 'Smoke-Free Greens' by players and spectators at the recent NSW Cashback City Number 1 State Pennant Finals, an initiative instigated by hosts Merimbula-Imlay and Tura Beach Bowling Clubs and duly supported by Bowls NSW and the Side Managers of participating clubs.

Earlier this year, the Bowls NSW wrote to NSW Sports Minister Graham Annesley for clarification on the ambiguous new smoking legislation introduced by the NSW Government in January which prohibited smoking in 'spectator areas' of sporting grounds but made no reference to 'playing areas' such as golf courses and bowling greens, causing much confusion across the State.

This enquiry was subsequently on-forwarded for the attention of Health Minister Jillian Skinner to respond on behalf of the NSW Department of Health. With no response being received as yet to clarify the matter, the Bowls NSW Board felt it appropriate to revisit and revise the Association's Smoking Policy for all events directly conducted by Bowls NSW at a State level.

The Bowls NSW Smoking Policy continues to recognise that it remains the absolute discretion of individual clubs to introduce and/or enforce 'smoke free greens' at their own venues when conducting their own events. Bowls NSW supports the initiative of any club that may introduce a smoke-free environment on their own premises in the best interest of Bowling Members.

Likewise, the Bowls NSW Board encourages and supports the initiative of any District or Zone Association implementing 'Smoke-Free Greens' for any Association Events or other events they may conduct as the controlling body in partnership with host clubs.

The new Bowls NSW 'Smoke-Free Greens' initiative for State-level events is **effective immediately from 16th August 2013**, and will apply to all players and officials (i.e Umpires, Managers, Coaches) at each of the following events:

NSW State Championships Finals

- NSW State Senior Championships Finals
- NSW State Rookies State Finals
- NSW Champion of Club Champions Finals
- NSW Club Challenge Finals (All Grades)
- NSW Inter-Zone Sides Championship (All Rounds and Finals)
- NSW Inter-Zone Senior Sides Championship (All Rounds and Finals)
- NSW CashBack City State Pennant Finals

It is anticipated that at each event, designated smoking areas will be arranged in consultation with the host venue in a convenient location away from the greens and any spectator areas for use during play.

Bowls NSW Membership Cards Delay

Bowls NSW wish to advise that a number of Clubs are currently or may soon be experiencing longer than expected delays in receiving membership registration cards for each of their registered Bowling Members. Unfortunately, this delay is a result of unanticipated circumstances outside our control which have arisen during the process of changing to a new card system which is part of an exciting Member Rewards Program through our new corporate partners 'CashBack City'.

Bowls NSW is working closely with CashBack City to ensure the delay is kept to a minimum and that new registration cards for all bowling members across NSW are delivered to Clubs as soon as possible. In the interim, Clubs are reminded that the status and registrations of bowling members can be checked by downloading a current Club Membership Lists via the Bowls NSW website Online Membership Facility.

Given the circumstances, Bowls NSW will make every effort to update Online Membership Lists on a daily basis until the issue is resolved and the new cards become available. Expired cards shall remain valid for any bowling member who has had their registration renewed by their Club but who has not yet received a new card.

For any further information, or assistance in accessing Club Membership Lists, please do not hesitate to contact the Bowls NSW office on 9283 4555. We apologise for any inconveniences caused by this delay.
