Just a few more of the Welcome Visitors on "Come and Try Day. Shaylee, Monique and Jack, found the Kitty without any effort. Joy, seen here with Dot showed a very promising style. The day was a success with many visitors, who were treated to a delicious sausage sizzle. The weather was perfect for bowls and Volunteers enjoyed the day as much as the Visitors.

Excerpts from a 1981 newsletter by the then outgoing President Derek Stringfellow. During that year Membership increased from 108 to 136. Back then the Club Members (all Volunteers) were the sole support of the Club. Committees included Providores, who were responsible for making and selling food, which was part of the Club's income, keeping the Club afloat. Also the Ladies and Men's Committees and Volunteers ran Bingo nights very successfully. Derek's report refers to many past Members. The report itself is too lengthy to include wholly here, however Ron Clune, who was Secretary during those years has the full report and other information and news clips from that era. Thank you Ron for sending in this information. The Club activities on the green were full on back then, with many well known names featured in news articles, makes interesting reading. And I'm sure Ron would be happy to share the articles and newsletters with anyone interested in reading the full documentation.

Christmas Break –up Saturday 14th. Dec.

Welcome

To four New Members Norm Martin, Karen Bennett, Joy Sullivan and Lorna Smith bringing 2013 Membership to 179 all up with 124 Men and 55 Ladies. Joy decided to join after the Come and try day. See you all on the green.

Pleasure Trips

Norm and Karen have just returned from a trip to Scotland to Visit Family, they went via Singapore and Heathrow, Karen said it was a bit chilly in Edinburgh, whilst in Glasgow they visited the Taylor Ace factory and learned that the process of bowls making is completed in 6 stages.

And trips that are not such a pleasure

Another Member, namely Dave Thomson also had a trip recently, mind you, his trip ended with 3 broken ribs. The worst must be over as he was spotted on the green (and on his feet) the other day.

Latest news from the Ladies Committee:- 28 Teams are expected to play at the Presidents at Home day on December 9th. Two new nominations have been received to join as Members. Joy Sullivan enjoyed the Come and Try day so much she applied to join immediately and Lorna Smith has transferred from Woodford. Mixed Triples will now be held in February/March 2014. Ladies Christmas break-up day will be held on the 18th December and will resume on 8th January.

This Yummie CHOCOLATE FUDGE Recipe was sent in by Carol Eldridge, just in time for the Christmas table. It takes less than 15 minutes to prepare (much less time to eat) and serves 15. (or at my house 1 greedy person).

Ingredients: 1 packet of chocolate buttons....1 can of condensed milk... 60 grams of butter.

Method:- place all ingredients into a microwave safe bowl. Microwave for 3-4 mins. Stir until all ingredients have combined then place in fridge or freezer for 1 hour. Then remove and cut into portions (or eat whole lol)

Thank you Carol, I'm sure my weight increased substantially just typing up the recipe..Still its Xmas !!

WAIT there's more:- Another quick and easy Christmasy delish. MILO BALLS: **Ingredients:** 1 pkt of Marie or Milk arrowroot biscuits, 1 can condensed milk, 3-4 tablespoons milo. **Method:** Crush biscuits finely, Stir in condensed milk and milo, roll mixture into balls, cover with coconut, chill in fridge for 30 minutes then **EAT**. So these recipes are designed for people who are finding it hard to gain weight. Make them eat them and that will no longer be a problem.

Welcome home from hospital Bob Heterick, wishing you all the best for a speedy recovery. And to all Members who are dealing with ill health at present Hope you are back to good health very soon. Good luck and best wishes.

PHOTOS AVAILABLE

Throughout the year many photos have appeared in newsletters , newspapers and at the Club, if you would like any copies of these Contact Bev. I will email or print them out for you.

Trivia (with my editorial):- You are more likely to be killed by a champagne cork than a spider (knew there was a reason I didn't like Champagne).

Its impossible to sneeze with your eyes open. (go on try it..bet your nose runs)

A ducks quack doesn't echo, and no one knows why (who gives a quack)

A pigs orgasm last 30 minutes. (who gives an oink.no wonder pigs have a dirty reputation.)

As this is the last newsletter of the year, I would like to thank you all for your Patience, and wish you a

To Dave (Trippy) Thomson for donating the black and tri colour cartridges, for this letter I think he misheard me, I did ask for Cartilages, however, the cartridges have certainly come in handy, this newsletter is one example, so, seriously Trippy. Thanks for your generosity once more.
