Dot's Jots

Hi Everyone, Well, what a Busy couple of months we've had out there visiting other Clubs on their special days along with our own great days of getting together and having a sausage sizzle and fun game of bowls. I would also like to say a big "Thank you" to the wonderful Ladies Members for giving so generously to the Easter raffle and therefore once more making it a financial success. I am so lucky to be working with them, as they give their time and skills so generously. Our Men's President Joe Cowan has been a great help to us on our big days with his organisational skills. Thank you Joe, we really appreciate your assistance. I look forward to seeing you all on the green. Happy Bowling. Dot.

Thank you Dot.

Our condolences to Carol Eldridge on the passing of her Mother. You are in our thoughts at this sad time Carol. Best wishes to Carol and Dave.

Sorry meant Advice.

Hello Bowlers, I hope you are enjoying your bowls at our friendly and welcoming club. The Lakes caters for all types of People. O K not all of you are as good looking and intelligent as your Men's Vice President, but you do your best with what you have been given (even Mike Dawe). Both Sunday's of Brekky Pairs have been successful and have shown a good return for the Club (even with Dennis Parsons eating 4 plates of food). Thursday bowls is running well with nearly 20 Teams each week (thanks mainly to Joe Cowan). Just a reminder though that winter is approaching and daylight is getting shorter. (Glenys Cherry—BFC has Miners' hats with night lights on special at the moment.) A new innovation for the Club is a suggestion box. It will be opened at each Committee meeting and all suggestions offered will be discussed and reported back to Members. The Men's Classic Fours is rapidly approaching on June 14th and 15th. Get your teams in. The Ladies are conducting an Easter raffle so please show your support. Happy Bowling. Jeff McPherson.

Thank you Jeff

Don't forget the 45 Club bus trip to Nanango on the 1st June. \$25 a head covers, Bus, Bowls and Lunch. It costs only \$15.00 for non Bowlers. Sounds like fun. Don't miss out.

Thanks Ladies. great game.

More Winners

These are the SUPER Guys winning Bronze in their division at Tweed after defeating Carina then being defeated by Wynnum. The 2nd place-win came with a monetary bonus for the Club as well. Well done Guys. Next year Gold. O.K?

Our Hervey Bay Visitors enjoyed themselves so much on their last visit to our Club that they have planned to return later in the year.

Now, if you are not **hounded** twice daily to take your doggies for a walk, as I am, then for an extra bit of exercise and social repartee why not join the walking group at the Morayfield shopping centre any morning of the week at 7.30. The Group is associated with the Heart Foundation, and after the walking exercise a social coffee could be a great way to start each day. Jan Hand has all the info. for anyone interested. Thanks Jan

The Ladies Easter Raffle raised \$600.00.

Update on brave little Mitchell Wallis. His tracheotomy tube has been removed and he is now breathing on his own, and Leah is feeding him some soft food, he still has a stomach tube. He is sitting in a rocking horse chair which was made and donated by a couple for their grandson, who unfortunately did not survive, so they passed it on to Mitchell, what a wonderful gift. Dave (Poppy Thommo) informed me that Mitchell has been experiencing seizures lately. He is a proven fighter and our very best wishes are with Mitchell and his Family. Dave will keep us up to date on any further progress.

Congratulations to 3 of the Lucky 15 Ladies Easter raffle basket prizes which was drawn on 16th April. No wonder Jan, Kaye and Colleen are smiling I would be too, with all that chokkie to eat. Bet the Children and Grand Children will eat well this Easter.

Health report from the Welfare Officers: Norm Martin had an 18 hour operation and is doing as well as can be expected. Barry Briggs is well on the way to a full recovery and has had 1/2 game of bowls and a beer. Gary Burrow's Dr gave him a clean bill of health, good to see him smiling. Like always you don't need to be sick to receive a visit from the "wealth fair Officers" happy to visit for a chat and beer anytime. Thank you Dennis and Yvonne.

Hello all, I was born on 26.12.56 in Maryborough Qld, where I lived for my first 17 years. I excelled in sport and Academia. I represented Maryborough and Wide Bay in Rugby League, Basket Ball and Hockey. After completing year 12 at Maryborough Boys High, I had to choose between University or becoming a Male Model (due to my exemplary looks), luckily I chose the first as I don't think I would have earned too much in the second category. I completed a Bachelor of Science , majoring in both Mathematics and Physics and completed a Bachelor of Education. From there I became a Teacher and taught in Brisbane, Gatton, Jandowae, Dakabin and finally Caboolture. It was during my time in Caboolture that I took up bowls and have enjoyed the experience. Although my teaching career is nearly over, it has been an interesting Journey.

And this is the END. Thank you mystery Person. Readers, if you guessed who it was before THE BOTTOM. Then you **must** pat him on the back to show him that you guessed correctly.

Can you find the face hidden amongst the coffee beans. Its there truly. Keep looking (only if you have nothing better to do of course)

To prevent any more tired old not so funny Funnies, please send any news info, jokes photos etc. to the sub sub Editor before the next edition. If you think its not news worthy, well look at the fill in jokes and compare, see, told ya, your stories are better than those. Keep in mind that this newsletter is as much about Members social news as it is about Club news so send along any info. to my email address any time. I'm only the S S Editor, you are the story suppliers. Without your input I have nothing to edit. Bev.early@iinet.net.au
C'mon lets get rid of those icky jokes. 😬

Len Goulding has a question for Kaye D'Arcy. He wants to know how you managed to send all 3 of your bowls to the beach

Getting to know Sharryn.

Hi All, I was born in the 60's . I have been bowling for about two years (so still a Novice) , and still learning the game. About me, well I was born in Western Australia and after travelling around Australia with the Family, we finally settled in Queensland, where I spent most of my adult life. When I left school, I commenced my first career as a Nurse. I then met and married a Guy from the UK and went and lived there for a couple of years. We had a Son and decided to raise him back in Australia, so home we came. My husband and I divorced when my Son was very young and I realised I could not keep working as a theatre Nurse as a sole Parent, so I decided to go to Uni and Study Law and Arts. I completed the 5 year degree in 3 and a half years and commenced my Law career. I worked in many areas of Law and decided to specialise in representing Children who had been abused or molested, I did this for many years then when my Son left home I decided on a sea change, I then moved to Cairns and opened my own practice. After a couple of years I decided I wanted to see Australia again, sold my practice and headed to Broome. After working in Hospitality for a couple of years, I was offered a job in the mines specialising in Contract Law, I stayed in Perth for about 6 years. Due to Family health issues, I came back to Qld and that is when I joined Caboolture Lakes, I enjoy travelling, photography and if anyone is interested I love a white wine or two. Thank you Sharryn, we are pleased you chose Caboolture Lakes. Hmmm I must speak to you about photography lessons. S. S. ED.
