Welcome to July. Well it certainly has been a couple of busy and fast moving months with visits in, visits out, competition finals and Club competitions, caravan/camping trips Bus trip and the list goes on. The Club has a new Interim Chairperson in Kevy Appleton and new "old" P.O. Bev Semple.

Can't tell which is witch, 'sept for the beard of course...never mind I'll shave tomorrow. Oh, in case you still can't tell I'm the one with hair on my head . tee hee

Report from the Men's Classic Fours.

What a great week end everyone was a Winner, apart from the weather being a bit cloudy and a spit of rain on the Saturday, everything went splendidly. I overheard from visiting teams that the Event was well run and the plentiful food supply was indeed tasty. Congratulations to Stuart and Craig Morris and their Team mates who were the eventual Winners, and all the placegetters should be congratulated too for a fine effort. An event such as this can't run as smoothly without the work and dedication of many people, including Joe, Jeff and the Men's Committee, Betty, Maureen and Ken for running the scoreboard, Carol McNeil for 2 days of Umpiring, the Ladies Committee and the support of the Ladies and the Team were on standby. It was all hands to the ready and they did a wonderful job. The bar staff and Kitchen staff all played their part, as did the Sports Club itself for the support and major sponsorship of the Event .

Without the many Sponsors contributing to the days it would not have been possible to run such an Event. And finally to all our own Members who participated and purchased many raffle ticket and numbers, well done to all.

Thanks for your report Kevin.

Life isn't tied with a bow, but, its still a gift. Be Happy.

Money will buy a fine Dog, but only kindness will make him wag his tail.

Luckily the Club has Members such as Kaye McInerney and husband Tim, they assist on many occasions, apart from taking the money on Wednesdays, Kaye assists in the office on Fridays and for over 12 months now Kaye has sent through the Friday results to me, and has now agreed to send Saturdays when she can, the results are then uploaded to the web site and submitted to the newspaper. I appreciate this very much as it saves me time. And at my age that's vital!! Thanks Kaye and Tim.

Please note this is a sad story so don't let the kids or G'kids read it. I was at an ATM yesterday when a little old Lady asked if I could check her balance, happy to oblige, I pushed her over. Well what would you have done?

If a pig loses its voice is it disgruntled?

O.K. here's a couple of Questions to test your bowls knowledge. Answers can be found on another page.

- 1a. When determining the result of an end, may the 3rds move a bowl out of the Head before the total number of shots is agreed. ?
- 2 b, During a single match, one player leaves the green to change some clothing (woot woot, steady Bev) Is this permitted. ?

Club 45 trip. On June 1st Off to Nanango then onto the Green, A great day was enjoyed by all. The bus was full and so was the green.

As previously stated, the grammatical errors in this newsletter are made on purpose of course, and they are meant to keep the Readers alert which will assist in warding off All Timers. No need to thank me, its no trouble. ED.

Good Luck to Clare Chune and Marie Heath, they will be representing the Club in the Pairs at Bongaree.
 Thank you Ladies, we wish you well and have fun.

If People from Poland are Poles are People from Holland Holes?

The Ladies Pennant Team has been getting some really useful advice from very experienced and ace Player Stuart Morris, so girls you better do your best or you could find yourself coping a detention, you just might have to write a thousand times. “take note, the Jack is the little white ball at the other end”. Ladies with Stuarts advice you are going to be amazing and just as importantly you will enjoy the Pennant Season and we will be barracking for you.

What hair colour do they put on the driver’s licences of bald men? If a cow laughed would milk come out of her nose?

This is what can happen when you let Ladies venture out alone. The Ladies went to Bongaree to play bowls and of course they took their handbags along, some bags were sitting along side those belonging to other Club Patrons and they all looked similar, so Dot thought she would do Yvonne a favour by picking up her bag to take to the car while Yvonne visited the Ladies room, so they all set off when they got back to out bowls club, Dot offered Yvonne “her” handbag, only to discover this was not Yvonne’s bag after all but belong to a Bongaree Patron, so Dot , supported by the Ladies set off to return the bag to its grateful rightful owner. Meanwhile Jim was panicking somewhat, as it was getting late and dark and he was becoming more concerned.....possibly thinking that he might have to cook his own meal? Sorry Jim of course your concern was for Dot!

Thanks Dot

“I aint going out there fishing with this I can’t swim” said Dennis on a recent trip to Moore Park, and all the while Ken was encouraging him.

Despite the windy Conditions, a good time was had by all ...once they found out how to set up camp that is.

Thanks for the photos Ken

Eight Members toodled off to Burrum Heads for the Men’s Weekend Competition in June, 6 of our Men played while wives Viv and Yvonne were the support team. And while by all reports it was a fun trip our Men, though they played well, (not necessarily while on the green). were beaten by a team consisting of a few of the Clubs past as well and present Players, Jim Blandford, Hookey and Maxy Postle.

Yes Danny we know its only Pepsi Max that you are opening, not sure what the gold cans are that are taking up room in the fridge though. On the Trip were: Danny, Mike, Dennis, Kevin, Hookey, Maxy, Jim and their Support Team.

Proposed car boot sale for later in the year, if enough interest shown, if you are interested, let your Committee Member know. Also if you would like to talk on the Radio, the Club is signing a Membership to local Radio 101.5 if you want to talk let the Committee know.

Hints for Bowlers: The Coach said "Always follow through. And stay down on the mat, Put one hand down on your knee, The other one quite flat, Take a swing and bend your knee, Concentration is a factor"" I tried to do them all at once Now I'm at the Chiropractor. By Graham "Skew Wiff" Watt.

Breakfast Pairs on the last Sunday of each month has been really popular with both greens full.

Now here's a couple of long time Lady Bowls Members who don't let the grass grow under their feet. Jan and Doreen, have just completed a trip up north on the Tilt train and are already planning their next cruise later in the year. Jan Hand & Doreen Allen

Now Ladies, there is really no need to pray, you will do well and you will have our whole hearted support, truly. Besides which kneeling down like that is bad for your bowling knees.

We are a happy bowling Team
We're out to play the game
But if the score says win or lose
It suits us just the same
