Come and Try

Information for course participants

Start Time: 8:30am

Finish Time: 11:00am

The 'Come and Try' is conducted in our 30m x 30m indoor facility so the course runs in all weather conditions. On arrival, you will be fitted out with archery equipment according to your physical attributes, so please arrive by 8.15am.

The Come and Try courses are designed to allow you to gain basic archery skills and to enjoy the skill of hitting the target in the middle. You will be assisted in this by our volunteer instructors who are also skilled archers. Our trained instructors will introduce you to the archery equipment then demonstrate shooting techniques and lastly the safety rules will be explained. This takes 10 to 15min, and then we have you try it for yourselves.

What to bring:

- Be comfortably dressed with no loose or hanging clothing.
- Long hair should be tied back so it doesn't get in the way of the bowstring.
- Long dangling earrings and jewellery are best avoided.
- Wear enclosed flat footwear. You will not be permitted to shoot while wearing thongs or open sandals.
- We have a small canteen where you can purchase drinks, chips, chocolates and ice creams etc. You are welcome to bring your own snacks and drinks.

PLEASE NOTE: Parents or guardians of children under the age of 18 years are required to stay for the duration of the course, as they remain primarily responsible for the behavior and welfare of their children.

Note: *Minimum age is 10 years old.*
