EDITORIAL

Had the pleasure of representing the V.A.N.F.L. at the Winfield Country Championship between Sunraysia Football League and Ovens and Murray Football league. Amid perfect sunshine and weather a big crowd and great facilities the ovens and Murray won the game in prolific style. It was interesting to note that both sides knew why they were there and what they had to do as it was evident that both sides were committed to their leagues.

Heathmont's Andrew Bateman recently passed through the police barracks as a Constable nothing unusual in that except to say Andrew 24 was DUX of the class and on behalf of the League to Andrew congratulations.

The V.F.L. and J.F.C. have released a report on Junior football and a pathway that will be developed for Junior Footballers in the Metropolitan area in order to gain the summit of the National League.

Each league has been invited to submit a submission based on the report and detail specifically how they view Junior Football and what sort of policies, strategies and programs should be developed to assist Junior Footballers in their careers.

Your league will be actively involved in submitting a detailed proposal on how they view the pathway of Junior footballers.

The league has been reviewing all its venues over the last two weeks. As the finals approach this has become necessary in order that the executive can keep themselves aware of the current situations of the respective grounds.
 A decision on final venues will be made within the fortnight.

Incidents of lime being used on grounds again has raised its ugly head. Clubs have been advised and made aware of the danger that exists by using lime. It is simply not fair to any player to play on a ground that has been marked by lime.

Scoresby's Peter Brennan played his 300th game for the club last Saturday and its fitting for this League to applaud his efforts for his Club. An outstanding person and club man, Peter has been at Scoresby all his life and has dedicated himself to playing football for that Club. Congratulations Peter, the League is proud of you.

EAST RINGWOOD

CLUB NOTES

d3 Wins and 1 Loss.
 wood! In front at three quarter time and should have gone on for a win although East Burwood are very difficult to beat at home. It is all up to you now to prove to yourselves and your coach you are good enough to get back into the four and stay there.

Seniors: What more can be said that hasn't been said already to win at East Burwood would have to be one of the best for the season or any other season for that matter. All players should be very proud of themselves as everyone else is. The game was full of merit by both teams. First one team was in control and then the other. Both back lines put a lot of pressure on the forward and were in control for most of the game. Our back line was under constant barrage in the last quarter and held out the opposition to hang on to even by a point. A real team effort.

Reserves: Won by 7 goals. Another good performance and should continue to improve as we are starting to get back some of our injured players every week and hopefully this will continue. Let's keep playing as a team and strive to get back to second position.

U/16. Excellent win to beat the top team. Once again a very good team effort. You were slow to start but once you got your confidence you were on top for the rest of the game. Make sure you keep playing as a team.

This week Scoresby.

MAGPIES FIND FORM"

Our thanks go to Mitcham for joining in on our Guard of honor for Pete Brennan last week.

What a heart stopping fourth quarter last week turned out to be with our players showing determination and team work to take the game away from Mitcham, who had led all day.

The reserves unfortunately went down to Mitcham who were stronger on the day.

Our Under 18's Aussie-Vac team did their sponsor proud last week in an excellent display of good discipline football.

Best players went to the whole 20 players. The U16 were beaten by 3 goals and need a little more determination on the muddy grounds.

CLUB NOTES

Three out of four wins against Mulgrave was a good days work, with the Reserves letting themselves down.

Today, East Burwood will be keenly competitive and desperate to take our place on the ladder. Don't let them fellows!

The Seniors started well and kept up the momentum for three quarters. Four quarters today please!

Best: Bluey, Jack, G.G., Goosey, Hollywood. The Reserves, found out the hard way that fifteen minutes of football only won't win many games.

Best: Tenacc, D. Graffen, Rule. The Under 18's, have been performing well recently and moved into the four with another good win.

Best players: White, Davis, Evans, Rafferty. The Under 16's had reason to smile after a strong win. Its pleasing to be moving up the ladder as well.

Best: Cameron, Dare, Cavanagh.

CLUB NOTES

1sts: Down by a lousy point ... but what a thriller. We had too many individuals and not enough team play, and yet in the heavy conditions it was still a good effort, and we know we can improve. Good players were Chief, Suds, Andy W., Cowboy and Jason.

2nds: After three even quarters, it was disappointing to fade out in the last and go down by 40 points. We had the opportunities but could not capitalise on them. Better players were Powell, Salts, Slick and Lumpy.

3rds: After a slow start we were able to claw our way back into a winning position. We continue to learn each week that to be consistent with our endeavour is all important. Better players were Peak, Couper, Dale, Bower and Bowie.

U/16's: A bad day for our boys. We didn't even look like winning, but at least we must realise now that the wins we have had just didn't happen ... we made them happen. Back to the basics boys.

U/14's: We continue to improve, and weren't far from winning last week. A lapse in the third quarter probably cost us the game. Hang in there boys and we'll soon reap the rewards. Best players were Bavidge, Rowe, Cormick, Young, Pay, Burgess and Lyster.

CLUB NOTES

A more disciplined Blackburn proved too good for our Seniors. Fellas, the backs are really against the wall now, but, we all know you'll learn from last weeks experience and come out more determined than ever today.

We'll be there giving all the support we can. The Reserves showed real character after being headed in time on to come back and win a thriller by a point. Thanks to the oldies for filling in while we're waiting to get a few injured guys back, hopefully, it won't be long before you're back giving all the support from the other side of the fence.

Bob's probably still smiling. What a magnificent effort by his U/18's after being down by 10 goals at quarter time against a team which was combining so well, they clawed their way back into the game and then with a brilliant final quarter, snatched a win in the dying moments of the game.

Boys, you now know the standard you can produce, let's go on with it. The U/10's and U/12's both had comfortable wins over Chirnside Park.

The U/16's and U/14's: Both had byes.

CLUB NOTES

Well the Seniors ended any chance they had of competing in the finals.

It's a mystery why this side with so much talent cannot put it all together each Saturday.

I guess the coach summed it up well last Saturday Night when he said, "to win Football games you must play for four quarters." Well done Boronia and good luck in your future games.

Chairman of Selectors Mr Gordon Nottman was non committal and looked very non plussed after the game.

Chambo's Reserves side kept the Mulgrave flag flying with a gutsy win over Boronia.

If they make it they will give it a very good shake.

Keep at it Neil.

U/18's and U/16's: went down but are showing improvement and several of these boys from both sides will be future Senior players.

Best last week:
 One's: Carlo, Bray, Links, Dimma, The Bear, Big Tom.

Two's: Lane, Kozaris, Pop, Cowley.

U/18's: Jowett, Edwards, Sutton, Kirkham.
 U/16's: Smith, McDonald, Prosser, Knight, Stubbs.

Who can tell me what is Mick Arnot's correct name?

Congratulations to all firsts players for persisting with determined football and reaping the rewards with our first win of the year. It was really the shot in the arm we needed to continue on and do much better in the second half of the round. It was an extremely hard fought game all day with several fiery incidents throughout the game. After getting ahead of South Croydon in the second term and not relinquishing the lead for the rest of the game was surely evidence of the desire and determination of the team to make sure they won this game.

There were many good players on the day and all players should be congratulated on the way they played, combined and backed each other up as a team. Keep it up guys and more wins will definitely be achieved in the second round.

The seconds were unlucky to lose their game by one point and the improvement and commitment they are now showing has been terrific. There are many young players in the seconds and they are starting to learn more about the game and their continual improvement is assured.

Better players on the day were the Pres. 6 goals, Billy, Wardy, Harry, Webby and Scotty. This week we have Vermont at Vermont and lets make sure its our second win of the year.

CLUB NOTES

Vermont over the years have had great teams. Currently they are a good team from a good team you learn more in one afternoon, than possibly from the season to date. Our progress is based belief we have the players to answer every challenge. When sides like Vermont put on the accelerator we have to react simultaneously to the situations on the field.

Our Reserves: Put in an encouraging performance. The scoreline was not the true indication and must pleased all concerned, they will go on now with the job ahead.

Our Sixteens matched till half time. From there the wheels fell off and were overrun in the last quarter.

CLUB NOTES

A bitterly disappointing loss for the Seniors after seemingly "having it in the bag". Congratulations to the Under 16's who avenged their thrashing from Scoresby earlier in the season. The "Pride of the Tigers", the Under 14's, continued their undefeated run against Heathmont with an excellent victory. The Under 18's, like the Firsts, are battling at the moment and must quickly regroup if they are to be a finals contestant. The Reserves struggled early, especially with their teamwork, but produced the commitment when it was required at the "pressure stage" of the game. Bad luck to the Clubs who are grossly undermanned at the moment.

Best players:

Reserves: M. Wallington, G. Searl, T. Heron, D. Klein, M. Baade.

Under 18's: A. Fairbairn, C. MacClagan, C. McKerral, A. Mynard, A. Krakovic.

Under 16's: P. Randles, A. Russell, C. Fidler, J. Lucas, C. Veal.

Under 14's: P. Coats, R. Kreymsborg, N. Conroy, J. Cocking, A. Loneygan.

Under 12's: D. Thomas, S. Palmer, J. Handyside, Mark Ryan.

Under 10's: The whole team.

★ THANK YOU MULGRAVE.

Mitcham Football Club appreciated the sportsmanship and professionalism of the Mulgrave club three weeks ago. The manner in which they assisted one of our seriously injured players was a credit to their administration and club.

NORTH RINGWOOD

CLUB NOTES

A great weekend for North with all sides successful.

Sunday football did not deter the Seniors who obviously carried out the coach's instructions to prepare properly for our most important challenge. North were able to get a handy break at the first change and carried a five goal lead into the last quarter. Forest Hill came back in the last stanza but North hung on to have a close victory putting us into the four. Winning is a must for the rest of the year. D. Birznieks, D. Courti, S. Bateson and J. Howell were the award winners.

The Reserves opened confidently and had a nine goal lead at the end of the first quarter with J.B. a star as full forward. Concentration lapsed but when pressure was applied, North were able to answer the challenge. M. White, D. Donovan, D. Kandler, W. Mutsaers and D. Edwards took out the awards.

The Sixteens played some top football in fairly heavy conditions. Young C. O'Neill had inherited the family enthusiasm and ability, and K. O'Donnell looked a top footballer with clever hand and foot disposals, McFarlane, Gervaxoni, Nichols, Baxter, Paddock and No. 26 in the forward line were all effective on the day.

The Eighteens got a walkover which was bad luck because match practice and fitness is needed.

The Silver Fox.

CLUB NOTES

TEAM LIST

Seniors continued in fine form to easily defeat Bayswater by 5 goals in atrocious conditions. After a first quarter lapse of concentration, they got it together in the second quarter to go on with it and run away with another great victory.

Best players: Shane Baldwin, Mial Harvey, Mark Beavis, Harris Noy.

Reserves were extremely unfortunate to go down by a mere six points, against a top side Bayswater. But, its not too late to make the four; so in the words of the coach "Heads Up!"

Best players: Geoff Watts, Pazza, Kevin Bradbury.

Special award to Steve Sanders for the "Rescue" of the day!

U/18's down by 5 goals in heavy conditions.

U/16's defeated by stronger side Bayswater, the margin will remain unpublished!

U/14's forfeited to Mooroolbark.

CLUB NOTES

A magnificent last quarter really put paid to Surrey Hills as their players stood back, non-plussed and their officials got real dirty and refused the sale of a slab for our team-masnager to pass onto the boys. As they say "Winners can smile, and losers can please themselves."

Lack of training attendance, has placed the two's in a position where they are up against it to make the finals. Players take a trip down "Memory Lane" to last time we played Forest Hill, surely you can repeat the performance.

What a great night at the Hideaway for the 70 odd that went and thanks to Flicks and Chris for a job well done. Missing were a lot of players and more importantly a few that "put the hand out" but never "dip into the sky-rocket". I believe a few deductions will be made under F.B.T. (Function Boycott Tax) from the pay-packets. What makes people who work hard so annoyed is players who promise to grant but never do. A lack of integrity.

Was it the original teenage idol or just a mature guy having a good time? Neither, it was one of our selectors with a transparent look on his face winning the hearts of young and old as he groaned with the speed of a startled gazelle, ice bucket and all.

Congratulations to Zinga on his 22nd birthday and to Macca on his wedding this week.

Welcome back to Dave, our Serenading Scotchman, as gate-keeper this week after a few months sick leave.

Also welcome to Alan Harrison as our Official Time-keeper.

FOREST HILL

CLUB NOTES

A loss is always disappointing but the fight back our boys made against North Ringwood this week was magnificent. A little more luck and a little more accurate goal umpiring would have made the difference.

In contrast the Reserves played poorly, without will or purpose and made a good opposition at times looked brilliant. To few players are prepared to get the hand ball. A total reassessment is needed by each player about his own endeavour.

Another embarrassment having to forfeit our Under 18's game.

Our Under 16's again played only half a game, in this half they looked good in the other half, it's best forgotten.

The Under 14's played one of their last games of the season and only inaccurate kicking meant a loss although many more scoring shots were had by our boys.

Again our most reliable teams the Under 12's and Under 10's both won and kept their impressive records going.

Senior Awards:

Firsts: John Fitzgerald, John Easy, Garry Street.

Reserves: David Saker, Jeff Howell, Burnie Sullivan.

CLUB NOTES

After jumping away to a 6 goal lead in the first 15 minutes against Clayton we suddenly relaxed and let them back into the game. From then on it was very even with Clayton just being too strong at the finish. Highlight was the skills of new player Michael Vincent who will be a great acquisition to our side. Best T. Dean, T. Garsed, Leidtke, Wright, J. McLaughlin.

Montrose Reserves had a gusty win against top team Clayton winning a fiercely contested match by 2 points. Best: S. Frost (5 goals), Firth, R. Garsed, duncan, Rickards, Bakker.

The U/18's after a very slow start (5 goals down at half time) rallied after a tongue lashing by their coach to win by 16 points.

U/16's had their second win of the season reversing a 13 goal loss in the first round to a four point win this round. Well done. Best Sanderson, Burley, Hammerstien, Lewis (3 goals) Findlay.

The U/14's played well as a team all day and are improving all the time. Best: Crosby, Barnwell, DAVID FRASER.

U/12 won a close encounter by sheer hard work and persistence — a top effort — best Rodgers, Duggan, Earles, Edwards.

The U/10's with only 15 players played competitively all day and almost pitched a win. Keep at it boys.

SURREY HILLS

CLUB NOTES

Judging on our first three quarters against Croydon we were confident that we had turned the corner, and were coming back into form. Unfortunately the game didn't end at three quarter time and our last quarter was the most disappointing for the season. Again the opposition showed us the value of persistence and having everyone contributing. Come on guys the message must be getting through by now.

Today is not only election day for their country but also for our club. Unless we elect to apply ourselves today all the effort put in so far will just go down the drain. We need a win badly.

The Reserves kept their finals aspirations alive with a hard won victory over Croydon. While it was disappointing to see the sudden drop in numbers it gave opportunities to guys who have been putting in all year and not getting a regular game. Although they nearly kicked themselves out of the game they deserved their victory. Don't forget that next weeks game against Doncaster is on the Sunday at Surrey.

CLUB NOTES

Drop kick — in the old fashioned way . . . Certainly the most significant thing to come out of last Sunday's triumph over Warrandytie, apart from the four points, just ask Harry! A great win leads — sort of reminds me of the first half grand final 1972, Baggers vs Tiges. One of those days when everything went right; we all dream of them.

Congratulations to the 20 contributors who took the field.

Awards: Mr. Juventus, McKay and the Pieman.

Apologies to 17 others.

Great moment for the Two's.

A comfortable win after recent indifferent performances.

Hopefully the side can string together a few more victories before the season ends.

CLUB NOTES

Firstly, let me apologise for lack of notes last week. No excuses.

On a day and a ground which were perfect for football, the Seniors found themselves 6 goals behind half way through the first quarter, and the supporters reaching for the "aspros" however they came back strongly but could not completely shake off a determined Montrose. The last quarter was tense with the lead changing several times but thankfully the Magpies held an 8 point lead at the siren.

The Reserves never really got their act together and although they probably had a clear advantage of the play, could not convert often enough. Some atrocious kicking for goal doesn't help and "hitting the post" 5 times could be described as bad luck but its the score at the end that counts and they lost another close one.

The U/18's: At last showed some of the ability of which they are capable and had the opportunity to keep in touch with the finals, however, a lack of discipline at crucial stages of the last quarter allowed a competent Montrose side to kick a couple of "easy" goals and win.
