August/September Newsletter No. 5

Kevin Coggin had the honour of being the final Winner of the Friday pairs competition that has been running each Friday since 2006. On Friday July 12, Kevin was presented with his prize from Bonnie Lude. Over those years Bonnie had spent many hours collating the scores, and could not declare an actual Winner for the final 3 weeks, due to there being a three way tie. In the end Kevin got the points and was declared the Winner. Many thanks to Rowly Volk who hand crafted the beautiful and unique Trophies which were presented each year. Photo includes previous Winner Russell Familton and competition assistant Johnny Mac.

Red and Purple Day. The inaugural event was held in 1986 and it was proposed as an enticement to encourage new Members to the Club, while at the same time enabling all participants to enjoy a fun day, so founder and creator of the event, Bert Morris, designed the red and purple colour scheme, one colour for north of the river and the other for south,., He then also added the Prize money of \$50 as more incentive. Stuart then took over when Bert moved back to Finley. It has grown since then with Stuart, and son Craig taking over then later down the track, Greg Mooney and Tommy Morris came on board making the prize money at the present time \$200. This prize money is spread amongst both Winners and Losers. So you are a Winner just by playing.

Speaking about **PURPLE**
Is this Ray Roberts AKA **Elton Purple**. Wonder if he can sing? Maybe we could find out at the Christmas party. Or he might related to **Alvin Purple?** Nah he couldn't sing. Has to be Elton. Available for autographs.

Friends come in all shapes and sizes and you can never have too many

Great to see Merv Altmann pop in for a visit last week. We all wish you the very best. Take it easy, we missed your smiling face. For all who are suffering any type of illness we hope your recovery is quick and complete.

This joke was sent to me by an old school friend, we met when we were 5 years old (thats around 120 years ago). She is a Police Widow and is involved in writing articles for N Qld QRPA police magazine. This gives her the right to tell Cop jokes.

A Guy was taking his new Mercedes for a drive, quiet night, top down, thought he'd just open her up. **Big time.** Suddenly, he noticed in the rear view the red and blue flashing lights. He pulled over. The Cop came up , inspected his licence and the car and said "Its been a long day, the end of my shift and I don't feel like more paperwork, so if you can give me a reason that I haven't heard before as to why you were speeding, you can go " The Guy thinks for a second and says "Last week my wife ran off with a Cop. I was afraid you were trying to give her back "Have a nice week-end said the Officer" .

This Little joke may help you to recover, if only to get to the Club and tell me off. Here goes.:-

What did the baby corn say to the Mama corn "where's poppa corn"
Feel Better? Knew that would help !

This Months Profile

This is a photograph of Our Phil in Uniform in 1986.

Phil Powell is currently the Clubs' Board of Management Secretary and Men's Committee Secretary, he is also the Creator and Master of the Club's Web site. Phil grew up in the Victorian Western Town of Mortlake. He joined the RAAF at the age of 17, after completing Form 10 at High School. Following Recruit training he was stationed at East Sale, Vic, Darwin N.T. Canberra ACT, Newcastle NSW, Amberley QLD, then Air Force recruiting in Townsville, back to Canberra. In January 1988, after 20 years of Service Phil left the Air Force.

He was a Steward for 4 years then in Administration for 16 years reaching the rank of Flight Sergeant. He married Kris (ex WRAAF) in 1970 and they have two Children and two Grand Children. They moved to Caboolture in 1988 and that's when Phil joined the Public Service and became an Administrative Service Officer for the Taxation Department and in 1989 He commenced working with the Child Support Agency, then in 2007 due to his medical condition, Phil was invalidated out of the Public Service and retired from the work force. The Family moved to Burpengary in 1992. Phil's battle with cancer commenced in January 1998 after two operations for removal of the cancer from his tongue and radiation, another procedure was required in 2001 this time cancer was removed from his bottom jaw. Phil has been on a liquid only diet since 1998. For a decade Phil enjoyed ten pin bowling, but had a hankering to try Lawn Bowls, he decided to do that, just prior to turning 60. He had met Tony and Betty Goodwin in Darwin in 1972, so He came to the Lakes for a trial run with Stu Morris as his Coach. He regrets not joining lawn bowls earlier, but is thankful he did not leave it any later. He enjoys the game and the rest is history.

This is a story 'bout a trip up North

We're Kevy and Danny & we went on a trip
On Kingaroy's Green we both had a slip
The Green was so fast
Our bowls sped right past
The morning was cold and very foggy
We were goose bumpy & a bit "Groggy"
Geoff and Joe shared our room
With never a moment of gloom
Oh wait, there was one little flaw
And that was Geoff..He could really snore
Causing paint removal and
a hole in the door.

We then high tailed it to the Biloela Club
Where Members were friendly
On the Green and the Pub
Those Country Folk play so well
For us, They created a sort of bowls hell
We played o k for most of the day, then
sadly, it was time to say ... "hurray"
So just forgive this terrible rhyme
Fact is... **We had a good time.**

We also popped out to the Theodore Club,
where flowers are grown on the green,
Lindsay Ross's old stomping ground.
We met with great hospitality everywhere

Our new Bowls Shirts

Our Division 3 Pennant Team

Photographed: in no particular order, due to the fact the so called photographer was being distracted by one, Dave Thomson. from the peanut gallery. Here we go:- Ron Clune, Lloyd Cuthbert, Barry Briggs, Dennis Parsons, Peter McDonald, Ollie Halvorsen, Kevie Chapman and Lionel Nolan. Missing was Ted Randall. I was tempted to add a "P" to Dave's name to teach him a lesson. Umpire for the Game on the day was Dave Mills.

Latest news hot off the press...

THEY WON... Three cheers

Dot was in Cairns recently barracking for her Grandson, Mark, who was playing Soccer in the Nationals, He only plays for Caboolture, and to be chosen shows his dedication and ability for the sport.

Kaye and Tim McInerney just finished a pleasurable stint minding Grand children. Whether it be Children, Grand Children, Nephews, Nieces, puppies or kittens, most of us enjoy the privilege of taking care of them. Then of course, the other side is obvious in the tale below. Just gotta have a laugh.

We were indeed thrilled to have had Shirley and Frank Simek from the Burnie Club in Tasmania playing bowls with us, truly lovely couple. Shirley presented Dot with a note pad depicting their Club Logo. The Couple were house sitting in the area. We will miss their Company, and we hope they will be returning soon. They will always be welcome at Caboolture Lakes.

Sausage sizzle was popular at the Red and Purple Day

A Few Excerpts from those Church Ladies with Typewriters. These sentences actually appeared in Church Bulletins or were announced during Service.

Ladies don't forget the rummage sale. Its a chance to get rid of things not worth keeping around the house. Bring your husbands.

Miss Charlene Mason sang "I will not pass this way again" giving obvious pleasure to the Congregation.

At the evening Service tonight, the Sermon topic will be "What is Hell" Come early and listen to our Choir practice.

Fasting and Prayer Conference includes meals.

Ladies are commencing their Pennant practice this Wednesday July 31. Mandy Deans and Mirth Morris are back on the green Wednesdays. Good to see them playing. Daphne Stoneham has recovered from her hospital stay and is back bowling. Wonderful news
