Blakehurst 2221

**DOB:** 22.9.1961

### **Involvement in SnowSports**

I have been involved in Snowsports since 2004 beginning at the Interschools school level. Since 2004, I have gained experience at all levels of snowsports administration in NSW progressing from the Interschools School level to Discipline Sub-committee to NSW Snowsports Board level to National Discipline Committee. This gradual stepping through the levels of Snowsports administration has allowed me to fully understand each level and how they interact with each other and ensure I am able to see the full picture when it comes to different issues across all Disciplines.

I was first elected to the Board of NSW Snowsports in 2008 and in 2009 was elected by the Board to the position of NSWIS and SERAS representative – a position which I continue to hold. These positions ensure athlete members of NSW Snowsports are able to be offered developing and elite level pathways in chosen Snowsports Discipline.

More recently, I have been involved in the re-negotiation of the All States Agreement with SSA, the development of a number of NSW Snowsports policies including Working With Children Checks, Members Protection Policy and Risk Management policies. Together with a number of other NSW Snowsports Directors, I ensure that when Grants are available from NSW Sport and Recreation to State Sporting Organisations, NSW Snowsports submits well founded expressions of interest to increase funding for its Disciplines for specific projects.

For the next 2 years as an elected Director of NSW Snowsports, I would like to initiate projects to increase the communication strategies of NSW Snowsports, increase the membership base across all Disciplines and Snowsports Clubs and source extra grant funding to grow Snowsports in NSW and offer more programs and benefits to members. .

### **Professional Background**

#### **Qualifications**

Bachelor of Business degree from Kuringai College of Advanced Education (now part of the University of Technology)

Master of Finance from Macquarie University

Graduate Diploma in Marketing Management from Macquarie University

Building Diploma from St George TAFE

In my professional career, I have mostly worked in finance, banking and marketing with my last role being Chief Manager, Home Loans at the Commonwealth Bank. In this role, I was responsible for all aspects of home loans at the Commonwealth Bank including pricing, promotion, product structure, profitability, etc.

At the present time, I manage a small family business which is involved in building and property development.
