*Welcome to our first Social Newsletter for 2013*

***DOTS JOTS***

Hi All, I'm pleased to be a part of our first newsletter for this year. As President of the Ladies Committee I feel very privileged to have such a wonderful group of Ladies around me.

Our Lady Members are always so willing to step in and assist at any time and I am grateful to all. We have been approached by the District Bowls Assn to host the Ladies District Fours on 16th and 17th April. And a big thank you to Mark King for his hard work in having the green running so well that we were able to say "yes". Also a big "Thank you" to the Ladies for their enthusiastic response to our Easter raffle, drawn on 27th March. I would just like to finish in saying that our Social events are always a lot of fun thanks to the Friendliness and sportsmanship from our Members. Warm wishes Dot.

***KEV'S REV'S***

Hi Everyone, Superchallenge has gone very well again this year, teams have reached the round robin stage, and once again will be played out at Deception Bay Club, and if all goes well, progress to the Finals will be held at Tweed Heads. It appears to have been a disappointing strike with the grass for the top green, due to weather influences, and may take some time to come good. Thursday jackpot is going well, some talent amongst the singles. Final of the Pairs was decided last Sunday, congrats to Ian Ashcroft and Joe Cowan, well done Plumby and Ian Forsdick. Mens B Singles have commenced. Please try and promote the Club as much as possible, we would like Memberships to increase. Flyers are available for distribution. Thanks Everyone.

***When Wrong makes it right.***

Part of wrong bias fines from the past twelve months was donated to the Stoney Creek Rural Fire Brigade

and Secretary Crystal Peters came along to the Club to collect the donation, Chairman of the Board Ken Burgess made her most welcome, which wasn't hard to do, a charming lady performing a worthwhile Community Service. Another Recipient of the W.B. Fine was a Sponsorship donation to walk for Cancer appeal. So keep up the good work, send those babies down the wrong way to help charity. We know that's why you do it. 🙌

Just in case you don't know, this is Dave Thomson, now, he might not have a "P" in his name but he has a heart of gold. He decided to donate a wonderful plaque in memory of his mate and Club stalwart Tony Goodwin and other Special and long term Members of the Club who have since passed. This Plaque will remind us of the important part each of these late Members have played in assisting other Members and being loyal Members of the Club, maintaining its continuance. Thanks Dave. Tears of joy only. Many thanks also to the Caboolture Woodcrafters Association for making the Plaque.

Another Surprise this year for Dave Eldridge, when, wife Carol organised a birthday nibbles “do” during the afternoon break at bowls. Fifteen years ago Carol added a wedding to the surprise list. Bowlers became wedding guests and Dave and Carol became married.! What’s left.... look out next year Dave. !
