2012 AFFILIATION FEES

School Sport Victoria is responsible for coordinating over 10,300 events per year across primary and secondary sectors. To administer such a large program SSV relies on the financial contributions from schools. At a recent SSV Board Meeting the affiliation fees for 2012 were set at:

Full and Associate Members	\$2.20 (Secondary) per head \$1.00 (Primary) per head
Affiliate Members	\$0.25 (group – where a school sport association affiliates as a whole) \$0.31 (individual – individual school)

Every participating school will be required to pay an affiliation fee. This funding is targeted at providing quality sporting opportunities for students in Victorian schools at Region, Conference and State competition levels. It also provides leadership and development opportunities for teachers involved with school sport, funds the Region and Division (Primary only) Coordinator positions, eighteen Region Forums per year and supports the Sport Sub Committees. Funding for Division (Secondary) and District level will continue to be raised through local member schools and will be set at those competition levels by a joint agreement of Sport Coordinators and their Principals.
