Such games may be played earlier by special arrangement with the Clubs involved and the Zone 15 Match Committee. If the proposed replayed match is washed out it shall be replayed at the end of all sectional play, ONLY if necessary and if time allows, otherwise the Match shall be declared a TIE/DRAW and each Club shares the points (5 each).
- (d) A minimum of 54 ends shall constitute a completed game. If less than 54 ends are completed the game shall be continued to the completion of 63 ends on the following Sunday week at the same venue commencing at 9.30am (trial ends 9.10am). Uncompleted games may be played earlier by special arrangement with the Clubs involved and the Zone 15 Match Committee.

13. Duties of the Controlling Body

This is intended as a guideline for those who perform the duties of the Controlling Body, other functions may be required of the Controlling Body for certain events or under certain circumstances.

This guideline has been divided into three sections; Pre-Game, During Game and After Game.

- They ensure that Association Events are played in accordance with the RNSWBA Conditions of Play.

DUTIES OF THE CONTROLLING BODY (CONT)

- They declare the position of a constituted member in a team to be vacant under condition listed in DR4, they can then authorise an eligible member to join that team as a replacement player.

- They are responsible for ensuring that the player's attire is in accordance with the RNSWBA Regulations and Conditions of Play (or in line with the requirements for that event if not an Association Event).
- They decide when to start play if the weather is doubtful.
- They may, if circumstances warrant it, extend the time allowed for late arrivals.
- They can award the match to the opponent if a player, team or side fails to show or otherwise forfeits its match.

- They can replace a marker whose performance or behaviour is less than acceptable standard.
- They can take action to have spectators refrain from disturbing, advising or interfering with players.
- They may allow variations in the position of players at both head and mat ends to facilitate viewing by spectators, or to assist television coverage.
- They can award the match to the opponent if advised by the umpire that there has been an infringement of a law that requires a penalty.
