Just a reminder about the Men's Pennant Celebration BBQ on October 13th commencing at 12 noon.

“What a wonderful World “ sang Louis Armstrong, just one of many beautiful tunes being played in the background, to Honour and Respect the many Members who are no longer with us, however their support, hard work and achievements ensured the continuance of the strong and very Special Club that it is today. Sponsoring the day, the man with the heart of gold and cute Grandson is Dave Thomson.

41 Members and Friends enjoyed a Bus visit to Allora Gardens on Sunday August 18th. Always a friendly atmosphere

Once upon a time..back in the year 2000, Mark King who is still the hard working Green Keeper used a roller like this...a bit dated today, also note in the background a palm tree which no longer exists due to the endless sprinkling of berries (nuts) onto the green. Bowlers were showered in windy weather so either the tree had to be removed or Bowlers had to start wearing helmets, and wearing of helmets in the summer causes the head to sweat, which contributes to baldness in both Men and Ladies. We can't have that. Well the tree and the roller is factual the rest is nuts. **Thanks for the Photo Mark**
