MIDWAY CHRISTMAS PARTY

The Christmas Party for Midway will be on Tuesday 18th December 2018 @ 9.30am. Hats have been purchased as gifts for the Midway bowlers.

Any extra help would be greatly appreciated on the day.

REVISED HOURS FOR SOCIAL GAMES

As advised above, effective Sunday 18th November 2018, our Social bowling hours for summer have changed. Hours are now Thursday's 1.00pm and Sunday's 9.00am for 9.30am start.

Last Tuesday after Midway bowlers left, we held a social game after a bit of lunch. The thought was to continue with this and if anyone is interested in social bowls on a Tuesday from 1pm please contact the office.

We are also discussing reintroducing our social BBQ. There will be more on this at a later date.

Congratulations to our member Ken Phillips who won the 2018 WADSA (WA Disabled Sports Association Sports) Volunteer of the Year Annual Award held on the 27th September, 2018.

Ken is always on hand to help with the community groups we having joining us and his handyman skills have definitely made a difference to the club providing specialised equipment to assist bowlers. And he's 88 - a well deserved award!

Sue, one of the carer's from Midway, presented Peel Bowling with a banner on behalf of the Midway bowlers to show their appreciation for the time and effort us Volunteer's give them.

They have been busy creating their craft and it's all put together on the banner and looks great. It's currently hanging in the shelter of our bowling green.

Jim Reddiex, one of our volunteer's, helps the Alzheimer's Groups with their indoor bowling.

Here he is with some of the ladies, who love to have a joke with him.

Thanks for all your help Jim.

Anyone interested in helping out as a Volunteer would be very much appreciated. It doesn't take a lot of time with a couple of hours a week being most helpful. Plus you can stay on afterwards for a social game and a cuppa. Contact the office if you are able to help.

Thank you to all the volunteers that help out each week.

Happy Bowling
