### **3. COMPETITION RULES**

***In the absence of a relevant by-law or BQ Baseball Rule, the Official Australian Baseball Rules shall apply.***

***Refer also to the Association website for any rules and/or by-laws specific to a particular season or competition eg INTERLEAGUE COMPETITION.***

#### **GAME DURATION**

##### **Seniors**

- 3.1 All games are nine (9) innings or time, whichever comes first, except double header games which shall be seven (7) innings with no time limits.
- 3.2 The A Grade competition shall be nine (9) innings with a **4:30pm** finish during the Winter Competition. If an A Grade game is drawn at the end of the regulation nine (9) innings, the game shall continue to a result taking into consideration the time limit. If at the end of the time limit the score is still tied, a drawn game shall be declared. The umpires shall make the final decision regarding a light or weather affected game.
- 3.3 All other grades will be nine (9) innings or two (2) hours, whichever comes first.
- 3.4 The ten-minute rule will apply in all games. Therefore no new inning may be commenced with less than ten minutes of scheduled time remaining. An inning started before ten minutes to the scheduled finish time shall be completed unless the home team is in the lead during their turn at bat. An inning starts immediately after the final out of the previous inning.
- 3.5 Should a game start later than the scheduled start time, the scheduled finish time will still apply. A team will have ten minutes after the scheduled game start time to place a team on the field or supply the required umpire. If a team is unable to do this, a forfeit will be recorded against that team.
- 3.6 In all games, except A Grade, four (4) innings or 65 minutes shall constitute a regulation game. Three and a half innings are sufficient if the home team is winning. In the event of wet weather, a game of fewer than the required minimum number of innings or minimum time shall be declared a washout.
- 3.7 A regulation game that is called with an inning in progress shall revert to the previous completed inning score only if the visiting team has tied or taken the lead in the incomplete inning.
- 3.8 In the absence of an ABF accredited umpire, the scorers will be the official timekeepers.
- 3.9 In all games including A Grade double header games, if either team is leading by ten (10) runs or more after five (5) equal innings, or 4½ innings if the home team is leading, then the game will be called as a complete game. In single header A Grade games the mercy rule will apply after seven (7) innings or 6½ if the home team is leading. For the purpose of recording stats and the final score, the game will end as soon as the winning run crosses the plate (ie the 10<sup>th</sup> run ahead in mercy rule games) unless it is scored by an 'out of the park' home run, at which time all runs shall count.
- 3.10 The Ladies competition shall be played on a regulation baseball diamond with the same dimensions as seniors, with the exception of the pitching distance, which will be 57 feet. Prior to the commencement of a Ladies game, an agreement may be reached between opposing coaches to enforce the 9 run rule (ie when a team scores 9 runs in one inning it will be side away) and inform the umpires.
- 3.11 All players competing in the Winter Senior A Grade competition must use an ABF or BQ approved wooden bat. Players competing in the Winter Senior A Grade shall not be permitted to use aluminium bats.

##### **Juniors**

- 3.12 The ten-minute rule will apply in all games. Therefore no new inning may be commenced with less than ten minutes of scheduled time remaining. An inning started before ten minutes to the scheduled finish time shall be completed unless the home team is in the lead during their turn at bat. An inning starts immediately after the final out of the previous inning.
- 3.13 Should a game start later than the scheduled start time, the scheduled finish time will still apply. A team will have ten (10) minutes after the scheduled game start time to place a team on the field or supply the

required umpire. If a team is unable to do this, a forfeit will be recorded against that team. A scratch game can be played if both coaches agree.

- 3.14 Night games shall finish at the scheduled time even if an inning has been started but not completed. If in this instance the team winning at the end of the previous inning **has not** changed (including a drawn game) then all scores and plays will stand as at the time the game was called. If the team winning **has** changed then the score at the end of the previous inning stands and all play subsequent to that are not recorded.
- 3.15 The duration of time limits shall be as per table below.
- 3.16 In all games, three (3) innings or time as nominated below shall constitute a regulation game. Two and a half innings are sufficient if the home team is winning. In the event of wet weather, a game of fewer than the required minimum number of innings or minimum time (from the scheduled time) shall be declared a washout.

Age Group	Regulation Time	Minimum Time
T - Ball	60 minutes (1 hr)	Not applicable
Rookie Ball	75 minutes (1 hr 15 m)	Not applicable
Little League Minors	90 minutes (1 hr 30 m)	50 minutes
Little League Majors	105 minutes (1 hr 45 m)	60 minutes
Under 14 & above	120 minutes (2 hrs)	65 minutes

## **TRANSFERS AND CLEARANCE REQUIREMENTS**

- 5.17 When clubs wish to approach players to transfer between clubs a little bit of courtesy and integrity must be considered. It is unfair to the losing club to have talks going on without their knowledge. Especially if the gaining club is offering a financial consideration even as minor as free or reduced fees, or even a free cap and playing top.
- 5.18 ABF CLEARANCE FORMS ARE TO BE USED AT ALL TIMES, EVEN WHEN A PLAYER HAS BEEN PLAYING WITH ANOTHER CLUB IN THE OFF SEASON. THESE ARE AVAILABLE FROM THE ABF WEBSITE, [www.baseball.com.au](http://www.baseball.com.au) THEN CLICK ON "Policies" THEN "Sanctioning".
- 5.19 To alleviate the possible intimidation and loss of good relations between clubs the following process should be followed:
- 5.20 Gaining Club
- Write a letter to the losing club and outline the player/s that you wish to approach. A 'cc' should be sent to GCBA in case of appeal or disharmony.
  - Set out the terms of the transfer to allow the losing club to match or better the terms.
  - DO NOT KEEP SECRETS - Keep everything above board and in the open. You will only harm the integrity of your club.
  - Have the new player complete an ABF clearance form and send it to the losing club. Don't forget the player's ABF number.
- 5.21 Losing Club
- Approach the player in question and ascertain why the player wishes to transfer. Make an offer to the player to match or better the gaining club's offer, if you wish to do this.
  - Write to the gaining club stating whether or not the player will be released and include your reasons. A 'cc' should be sent to GCBA stating your reasons for release or non-release.
  - Complete the clearance form if there is no encumbrance. If there is, then stipulate clearly what this is. Turn around for clearances should be no more than seven (7) days.
  - If you are willing to release the player, then your MyClub Registrar is to "Move" the player to the new club within the database within the seven day period.
- 5.22 No club is permitted to approach a junior player without the consent of the parents.
- 5.23 No club is permitted to approach a player on the grounds that they have better coaching, better facilities etc.
- 5.24 No club is permitted to approach a junior player on the grounds that the move will ensure or assist them in being selected to representative honours.

Playing down more than three times shall result in a forfeit being registered against the team in which the player played.
- 5.29 Players registered in Masters or Ladies competitions are eligible to play in A or B grade and C grade without affecting their playing status in their respective Masters or Ladies competition.
- 5.30 Only two players from A are permitted to play down in C grade per team per game. Players playing down from A Grade to C grade can only field in centre field or right field and bat 8 or 9.
- 5.31 Players playing in a higher grade than their registered grade can play anywhere in the field and bat in any position.
- 5.32 A lower grade player shall not take the field if there are nine (9) higher grade players available for that game. All appearances in higher grades will be classed as games played and will count towards grading for finals eligibility.
- 5.33 If a club has two (2) teams in the one grade, players may play across until the end of the third round of competition games. After the third round players must play in their registered teams.
- 5.34 No player shall be allowed to play in more than two games on the same day.

- 5.41 Wash outs (before the game commences) shall not count as “games played” in determining a player’s eligibility for finals.
- 5.42 In respect of forfeits, only the non-forfeiting team will be credited with eligibility.
- 5.43 Where two (2) or more Junior teams compete at the same level within a club, the club may not swap/alternate players among these teams in normal competition or during any final, unless otherwise stated in these by-laws.
- 5.44 In the case of two (2) teams competing at the same level within a club, and for some reason the club has difficulty fielding these two teams, and two teams become one, the newly formed team will take the lowest position of both teams on the competition ladder. ### **POLICY**

- 8.1 GCBA can cite any alleged offender against GCBA By-laws to appear before the Judiciary Committee. This committee comprises persons appointed by GCBA to perform relevant judiciary duties.
- 8.2 GCBA appoints and empowers the Judiciary Chairman to enforce the GCBA By-laws. The Judiciary Chairman has the right to appoint any person to a committee, a Judiciary Panel or an Appeals Panel. The Judiciary Chairman is deemed to be independent of any club and therefore can sit on any hearing.
- 8.3 The Judiciary Chairman can cite any club, official, player or individual to appear before a hearing.
- 8.4 The Judiciary Chairman can suspend at any time any judicial proceedings or processes.
- 8.5 The Judiciary Chairman can impose on the offending club, official, player or individual any monetary or time penalty that he deems appropriate to the offence.

### **ACCOUNTABILITIES**

- 8.6 Umpires issuing a caution or an ejection must report the name and number of the alleged offender and the nature of the offence on the official **Game Card** and sign it. They must also complete an Incident Report Form and forward it to the Judiciary Chairman within 2 days (refer Section 10, Judiciary: Schedule).
- 8.7 The GCBA Registrar shall notify the Judiciary Chairman of cautions, ejections and protests.
- 8.8 A player or official ejected from a game must complete an official GCBA Incident Report Form. They must then forward the completed form within 48 hours to the Judiciary Chairman (refer Section 10, Judiciary: Schedule).
- 8.9 As soon as practicable after the offence, the Judiciary Chairman (or the nominated representative) shall notify the club of the alleged offender of any further action. If the alleged offender is cited, the Judiciary Chairman will advise the alleged offender's club (and any other person required to appear) of the date, time and place of the hearing.
- 8.10 Where players or officials on report are participating in finals, the Judiciary will sit prior to the next round of finals. Consequently, the players or officials must submit their report form personally (or email it) to the Judiciary Chairman. This must occur within 24 hours after the end of the game from which they were ejected. Failure to supply the required written reports within the 24 hours will result in the players/officials being unavailable for finals. Should there be any reason why the Judiciary cannot sit at the required time, the relevant parties will be notified by phone of alternative arrangements.
- 8.11 Any club or person wishing to inform GCBA of any other alleged offence must submit a written detailed report within two working days of the alleged offence. GCBA shall then determine if the report should be referred to the Judiciary Committee. The report must be in the form of an official GCBA Incident Report Form (signed by the club President) and should be forwarded to the Secretary, GCBA.

### **REPRESENTATION**

- 8.12 When a club is cited to appear before the Judiciary Committee, one person from the club's executive committee must represent the club.
- 8.13 Cited persons other than juniors can nominate another person to appear and/or advocate on their behalf at the hearing. Cited persons choosing an advocate must inform the Judiciary Chairman in writing of the name of the proposed advocate. Senior players may also be accompanied by the relevant coach. In the case of juniors, however, it is mandatory for the junior to appear and to be accompanied by the team coach.
- 8.14 Cited persons or clubs may not be represented at the hearing by legal counsel, unless it is deemed by the Judiciary Chairman, that ramifications from the hearing may result in criminal or civil action. If this is the case, cited persons or clubs must provide written advice to the Judiciary Chairman at least two working days prior to the hearing. This advice should include both the names of the legal representative and the company he/she is from.

## **OFFENCES**
