From our President!

It's cold, it's not skiing weather. That doesn't stop the Victorians.

Vicies are heading of everywhere, some overseas, some to Darwin and others to Queensland, all training for the season ahead.

Victorians are also heading off to judge, drive and calculate at tournaments all over the World with Waldie and Lauma off to Asia and then meeting up with Leanne and me in South Africa and Glenn Martin will also be In Italy. What a great team of officials we have in Victoria!

It's AGM time. This year the Committee will be working towards the Nationals in Darwin and continuing with the growth of our sport. If you can help with this sport we all love so much, come along, show your support and help where you can.

Darwin Nationals, The opportunities and exposure will be huge, especially now with Channel 9 Darwin are showing their interest. So if you know someone who knows someone who could jump on board with sponsoring this great event then please let us know.

Victorian Presentation night was one to remember and special thanks must go to Josie and Leanne for organising the event.

I would like to congratulate all those who received awards, especially our skier of the year Bailey Christie, well done.

The President's Trophy went to the well deserved Josie Christie this year, again well done and thank you for all the hard work you do.

Special thanks must also go to Richard and Leanne, for all the work they do behind the scene, the committee, selectors and club Delegates for the great job they did this year and I am looking forward to the upcoming year.

Bring on the good weather

Glenn Sheldon.

CORPORATE SPONSORS!

In preparation to the Nationals the state representatives created a team of people to go out and see who would like to invest in some sponsorship for our event. A win win situation for the companies or individuals that do come on board. We have decided this year to offer our Victorian Members the first opportunity to come on board as we have some incredible sponsorship packages available **never offered before at a National Championship!**

If you or if you know of anyone that may be interested in supporting or sponsoring the Nationals please let us know. We are looking for major sponsors, event sponsors, bib sponsors..... the list goes on. Please email us with your/the contact details and we can forward a proposal of what is on offer or if you would prefer we could discuss this directly. (Email delchrisite@delfino.net.au)

If you are not interested, however you have a contact through a company or individual that you believe may be interested in a sponsorship package whether large or small then we would be more than happy to receive their contact details.
