## Premier League Teams on the Up

Scores can be deceiving in not telling the true story of how tight a game has been, and that was the case for both our Premier League sides who had 'honourable losses' to Seacliff at Tiger Park on Saturday. The PLW lost 0-2 to a Seacliff team that is currently third on the ladder, pushing them through the whole match and they had chances to break the deadlock when the game was scoreless, but were unable to convert their opportunities. For our PLM, 1-5 doesn't look pretty, but Seacliff only had total control for about 15 to 20 minutes over the whole game, where they were able to make the most of their chances, including scoring two goals that shouldn't have been allowed. Both PL teams have a great opportunity to pick up points in their next few games. The women will be looking for their first points of the season while for the men, they have a chance to get at least 8 points from their next four games but can realistically come away with four wins.

The M5W put in a really good performance on the weekend with a 4-0 win against North East at the Zulus home ground. The goals were shared around with Ruby scoring her first goal for the season (many more to come hopefully) while Issy, Wendi and Nicole also contributed. After umpiring two games back to back, the evergreen Wendi scored two goals and assisted in many, proving her value to the team once again. Newcomer Sarah proved her fitness and skill with a solid performance playing half back.

The team welcomed back Kim and were thankful to Racheal (Andrea) for staying to help out! The beers tasted even better after the game, not only due to the win but because Nicole bought the round!

The M3W jumped into the top four thanks to a 2-1 win over North East. Our women were the better team on the day and were rewarded for their hard work, converting two short corners. Robbie Edwards was sorely missed in the back line but Jaki Nanasi and Lesley Claxton did a great job in her absence. The juniors are on a steep learning curve but there is a noticeable improvement each week. Carlye Bowden had a guest 'half time pep talk and tips' which was much needed and the catalyst for the win.

While the weather was cold for the Masters women on Monday night, the players heated up as tempers flared and players got feisty due to questionable umpiring decisions. It was a hard-fought game and despite having numerous chances up front, our women were unable to capitalise, going down by one goal to Burnside Red.

# Junior Round Up

## Junior Season Under Way

The junior season began last weekend and there were some outstanding results for the club. It was a great start for the U15 Girls who came away with a 4-1 win against Adelaide Blue. They tried some players in new positions and it paid off, as they played an exciting and attacking style of hockey. Tia Dedman, Kate Decruz, Emma Phyllis and Vittoria Acquaviva all got on the scoresheet.

The U15 Boys also came up against Adelaide Blue and came away with the three points in a 4-2 win. There was lots of passing and the team work was of a high standard, as coach Jesse Pattison-White looks to implement a strong team orientated game style. They have a great chance to get the three points once again this Sunday against Adelaide Uni.

It was a tough first game for the U13 Girls, losing 0-7 to a Forestville team that has a lot of potential, but there is a lot to take out of the loss. The team has added some new faces this year and coach Brenton Perkins sees a lot of promise. The return of Mia Haywood-Smith was a shining light in the game, as she put in a best on ground performance for Grange Royals. Two new players in Simone Burton and Abby Luttrell, as well as Rachael Kean, had solid runs and will only build throughout the year. Not having a permanent goalie is proving a bit of a Achilles heel for the team. With work to do in the tackling and hitting departments over the next few weeks, there are a lot of promising signs for the season ahead.

There were mixed results for the little tackers in the Under 9's on the weekend. The Maroon team had a wonderful start to the season thanks to a 6-1 win over Burnside White. It is testament to the development of the core group of players over the last two years (a huge thanks goes to Froggy & Bri for that) and the enthusiasm of their three new players playing their first games this week. Our White team had a narrow 1-2 loss to Burnside Blue. The score would have blown out if it wasn't for Angelo stopping two goals on the line. Eloise, Charlize and Conner all played hockey for the first time and it will be great to see them develop over the year.
