WARNING ABOUT INHERENT DANGERS OF BASEBALL

The rules and procedures issued by NSWBL Inc. are designed to maximize the enjoyment, fairness and safety of our game. Officials and players should be aware that baseball, just like all sports, will always have inherent dangers. Some of these dangers arise from batted balls and collision of players. Care should be taken by all concerned to minimize such dangers through the use of appropriate equipment (including protective equipment) proper training methods and awareness of the risks.
