2014-2015 Season Malibu Series Tournament Entry Contacts and Instructions

Dear Skier,

The NSW Malibu Series entry form for the 2014-2015 season is now available on the AWWF web site. First click on the 'Tournament Skiing' square icon, then click on 'Entry/Registration' (located in the orange bar along the top). Please refer to the below Entry Instructions, Tournament Calendar and/or Malibu Series Poster for the nine event stops and dates.

Entries are not permitted until the listed opening time/date, which is 9am on a Monday, 4 weeks prior to each event (see opening times/dates below). Any entries received prior to these times/dates (via email, post or otherwise) are not valid. Entries will close 5pm on the Friday, 2 weeks prior to each event, or earlier if/when capacity of the event is full. Entries are not completed until payment is made in advance. Tournament Directors will keep a stand-by list, from which spots may be offered if there is an unforeseen cancellation. If injury or other circumstances prevent you attending, you must contact the Tournament Director so a person on the wait list can be offered your position. You do not automatically receive a refund unless your spot is filled by somebody on the stand-by list.

There is ever expanding interest in the Malibu Series. Events have filled to capacity very quickly. The above entry rules offer a fair and equal chance for everyone to enter each round individually. It is critical you diarise opening dates if you don't want to miss out.

To make a valid tournament entry you must:

- Be a current member of the AWWF having signed the waiver;
- Submit an entry form;
- Pay the entry fee;
- Enter no sooner than the time/date listed for entry and before the cut off time/date, or prior to the number set by the host site is reached, whichever comes first;
- Nominate to assist in running the tournament.
