The following players have been selected to trial in accordance with the nomination sheets distributed to all the LNC Clubs.

Located next to this notice you will find 2 team sheets with rink numbers and players names in position order. These positions have, in most cases, been based on your preferences – but if you indicated “any” on your nomination you have been selected where we would like to see you trial. The trial will be in the 3 “eligibility” sections with preference to the age criteria. The sheets are marked Games 1 & 2 and copies will be posted in the Club at Port Panthers on the day. However, the Selectors may, at their discretion, change players positions on the published team sheet at anytime before or during the trial games – please remember to report to David on arrival.
