

Welcome from the President...

The 2013/2014 Track and Field season draws to a close with the State Individual Championships as its finale. We have experienced another successful year of Little Athletics in Tasmania.

To all athletes, I wish you well and many personal bests. Remember, it is not whether you win or lose but the competition itself that is important, and the many friends and memories that you will take in to the future.

A very big thank you to all the officials who will be assisting over the two days of Championships. Officials are an integral part of these championships.

During these championships, a small program of senior events will be showcased for your enjoyment. Please welcome the athletes and show your support.

To all those departing athletes I wish you well in whatever sport you chose to follow and thank you for your time in Little Athletics. We hope you enjoyed the experiences and the friendships you have made along the way, and you look back with fond memories of the Saturday mornings you spent with your family at Little Athletics.

Rules of Competition : State Individual Championships

Condition of Entry

Athletes must have earned their 25 Participating Award and this must be displayed on the competitor's top on the day of the competition. All other award badges earned this season should also be attached. Exception may be given to this as per LATas By-Law C03.

Conduct of the Meeting

The conduct of the meeting will be at all times under the control of the Arena Manager, who may change the program or order of events, however scheduled PM events would not be moved to an AM session without contacting all participants.

Conduct of the Events

The conduct of the events will be as per LATas Rules of Competition or, if our rules are silent, as per the current IAAF Handbook.

Track Judging and Timing

For all laned events, the automated gates and timing system will adjudicate all places and times. Results of all races, and where relevant, fields for finals will be posted on the results window as soon as practical after the event.

Track Event Procedures

Upon completion of a laned event, athletes must remain in their lane until directed by the track referee to leave the track. For finals, athletes should then proceed to the presentation area.

Upon completion of a distance event, athletes will be handed a block representing their placing within the race. Athletes should present to the track recording table in finishing order. After a final, athletes should proceed to the presentation area, once finished at the recording table.

Shoes, Spikes and Starting Blocks

It is compulsory for shoes to be worn at all TLAA conducted meetings. Spikes may be worn by the under 12 to under 15 age groups in the javelin and jumping events (Max 9mm) and laned track events (Max 7mm, Min 6mm). Spikes are not be worn by any other age group (i.e. with either spikes or blanks). Starting blocks may be used by under 12 to under 15 athletes only. The TLAA will provide all starting blocks. Please note shoes capable of taking spikes shall be classed as spikes.

On synthetic tracks if spikes are worn, starting blocks must be used.

Protests

Notice of Protest shall in the first instance be made orally to the Announcer. The written application for hearing of protest must then be presented, within fifteen minutes of the posting or announcing of the result, at the completion of the event. This application must be accompanied by a \$20 fee and signed by a responsible Centre official. The application must include the name of the event upon which the protest is to be lodged, and indicate the names of all involved. The relevant rule/s under which the protest is made must be stated. [Protest about Rules of Competition set before the day will not be dealt with on the day.]

The application will then be referred to the nominated protest committee chairperson who will decide if the protest is of a frivolous nature, where the fee may be forfeited. If not, a Committee will be called to deal with the complaints on the day. The decisions of the committee and its chairperson will be final.

Rules of Competition : State Individual Championships

Clashing of Events

Athletes may, with the permission of the Chief Site Official, leave a field event to compete in a track event. This is the Athlete's choice, but upon returning they must rejoin the competition at the stage that it has reached in their absence (i.e. the field events will not be stopped). If the field event is finished before they are able to return they **will be allowed 5 minutes** from the completion of the track event to return to complete their final trial.

Track

Progression to Finals

- Where there are two heats, the first three from each heat will go through to the finals, with the next two spots determined on times.
- Where there are three heats, the first two from each heat will go through with the last two spots determined on times.

Lane Draw

Lane draw for heats is per the program. Finals are laned per IAAF Rules. 400 metres (for under 8 & 9 Age groups only), 800 metres and 1500 metres competitors are not required to remain in lanes but can only cross when it will not cause interference to another athlete. The exception being 800metres for Under 13 to Under 15 athletes, where competitors will compete 2 to a lane until they reach the break point and then may cross to the inside lane, when it will not cause interference to another athlete. 400 metre & 800 metre events will start and finish on the start/finish line. A draw has been made for all stations. Front and second lines, if required, will be seeded.

Field

Top Eight

The top eight (8) under 13 competitors in all field events except the High Jump, are entitled to a further three (3) trials. To be eligible for three additional trials athletes must have recorded a valid attempt. Should there be a tie for this eight, all tied athletes proceed to a further three (3) trials.

If there are 8 or fewer competitors, all competitors are eligible for a further three (3) trials regardless if their first 3 are fouls.

All members are reminded of the following TLAA By-Law

CO22 (i)(p) General

At State Conducted meetings, an athlete is not to receive any form of coaching during an event. Such coaching may result in the athlete being disqualified from the event.

Note: This by-law will be **strictly enforced** at these Championships, therefore all members are asked not to put their child at risk of disqualification by coaching or advising the athlete during the course of the event.

IMPORTANT NOTES:

1. Events numbered 62 and above shall NOT COMMENCE BEFORE MIDDAY. These events are referred to as PM events. The order of these events may be changed on the day. (Marshalling will be no earlier than 11:45am)
2. Events numbered 1 to 61 are expected to commence prior to midday. These events are referred to as AM events. The order of these events may be changed on the day.
3. Little Athletics Tasmania reserves the right to move events from the AM group to the PM group, but guarantees that no event will be moved from the PM group to the AM group without contacting all athletes.
4. Any amendments prior to the day will be notified to centre secretaries by email. Amendments on the day will be notified by announcements.
