

Meg Neuhaus - Short CV and Statement of Snowsports Experience

Should I be elected I will bring more than 25 years of Operational, Financial and Risk Management experience to the NSW Snowsports Board, plus almost 10 years involvement in Snowsports through the NSW Interschools and Cross Country programs.

My career background includes work in both the public and private sectors, primarily in the Banking and Financial Services Sector providing Internal Audit and Risk Management advisory services to Senior Management and the Boards of ANZ, NAB and AMP. I have recently retired from the full time work force so that I can devote more time to my family and their academic and sporting pursuits.

I have a passion for Snowsports that is shared by my son Will. As a parent I have volunteered each year for all the skiing disciplines since Will commenced competing at Interschools in 2005. Prior to Will commencing High School in 2012, I was the Interschools coordinator for Neutral Bay Public School. Currently, I am the Interschool's coordinator for Marist College North Shore as well as helping my successor at Neutral Bay 'learn the ropes'.

I enjoy helping out where possible. Following Will's commitment to the NSW XC Squad and Team, plus the NSW Biathlon team, my knowledge of these sports has grown extensively and I've found the learning curve very enjoyable. As well as my involvement with Interschools, my sports administration experience has encompassed: assisting with the XC squad's dry land training in Sydney and Jindabyne; being a race day official and administrator for State and National events; plus helping with the management of overseas teams. Although my son is heavily involved with XC and Biathlon, I remain committed to increasing the participation and advancement of NSW athletes across all the snow sports disciplines.

I joined the NSW XC Committee in late 2012 and last October volunteered to be NSW Snowsports' Working with Children Check Officer, to help NSW Snowsports prepare for the changes to the NSW's Working with Children clearance requirements for coaches, officials and volunteers.

I am a professional and ethical individual with excellent people skills and will enjoy helping NSW Snowsports advance in the coming years.
