

SOPAC – Monday 15th of September from 4.00pm – 8.00pm

Notes on the 2014 School Relays:

How does it work:

-School Relays returns to the school athletics calendar for 2014. It brings together schools from all sectors to compete in relay events across all of the disciplines. Winners of each event will lay claim to the NSW School's Relay title. All place getting teams will receive a medal.

-There are 3 age groups U/15, U/17 and OPEN and each school can enter as many teams as you like in each event. However, individuals may not compete in the same event twice in any age group and athletes are restricted to only 2 track relays in any age group. Athletes may compete up age groups as long as they adhere to the 2 track events total rule.

-Medals will be awarded for teams finishing first, second and third in their age group.

What are the events:

-4 x 100, 4 x 400, Sprint Medley, Distance Medley, Jumps Relay, Throws Relay.

-The Sprint Medley (200m, 200m, 400m, 800m) is for the U/15 and U/17 age groups and the Distance Medley (1200, 800, 800, 400) is for the OPEN age group only.

-The Jumps Relay is 2 x Long Jump and 2 x High Jump

-The Throws Medley is 2 x Shot Put and 2 x Discus.

Integrity Rule:

New for 2014, ANSW will implement an Integrity Rule to govern the School Relays. The Integrity Rule is designed to improve the efficiency and smooth running of the carnival. The rule states:

-Team Managers will be permitted to make changes to their team as the carnival is in progress and will not need to inform Athletics NSW as long as they adhere to the following:

- 1) The replacing athlete is age eligible
- 2) The replacing athlete doesn't surpass the maximum number of events allowed
- 3) That every attempt has been made by the Team Manager to ensure the accuracy of the team sheet that was handed in at the team meeting

Teams may be disqualified for infringement of the Integrity Rule.

SOPAC – Monday 15th of September from 4.00pm – 8.00pm

-For both field event relays, the winner and placegetters of the relay shall be determined by a *sum of places*. The lowest combined score wins. For example:

School 1: 1st and 4th in the Discus and 5th and 7th in the Shot Put = 17

School 2: 2nd and 3rd in the Discus and 2nd and 4th in the Shot Put = 11

School 2 wins with the lowest combined score.

-In the unlikely event of a tie, both teams will receive the award

-There will be heats and finals for the 4 x 100m only.

-The 4 x 400, Sprint Medley and Distance Medley will be timed finals (if required).

Closing Date: Monday 8th of September

SOPAC – Monday 15th of September from 4.00pm – 8.00pm

U/15 Boys and Girls Teams

(14 or younger, as at 31/ 12/ 2014)
