Aqua Shop June Member of the Month

The Aqua Shop Masters Member of the Month for June is Andy Alt from the Warrnambool Whales.

Andy has been an active member of the Warrnambool Whales for at least a decade. Andy is very active within the club, especially at the club’s social activities.

Andy has recently travelled to Patagonia, Falkland Islands, South Georgia and the Antarctic Peninsula. Being the “Bear Grylls” of the Whales, Andy plunged into the icy waters off the Antarctic coast in nothing but his bathers. This was only possible due to conditioning of living in Victoria and our own icy waters!

Congratulations Andy from the Warrnambool Whales and all at MSV. As the Aqua Shop member of the month, Jeremy wins a $50 Aqua Shop voucher.

Andy is seen here, 3rd from the right in the back row, with his teammates at the Warrnambool Whales.
