Yes we are on the air....no more hot air, this is the real thing. The Lakes Bowls Club Members are now also Members of the local radio station. Members can tune in to hear the ads 4 to 7 times a week. And John Howard has generously agreed to speak on the Clubs behalf at an occasional Interview. He has radio Experience and just the voice we need to succeed.

The intention is to advertise any upcoming events and or activities of the Club and make ourselves known to potential Members. So your information and input would be greatly appreciated. **Thank you John**

Out and About

What a magic part of our Country, just ask Gezy Rozanski, she has just returned from a 10 day trip to the Kimberley's, the over 50's Group that she was part of, went on River Cruises, Bus Trips, Flights over the mines and surrounding area. Sounds good to me.
Have a chat to Gezy.

Bev and Cliff Mason have just arrived home after their trip up and around Mt Isa in their caravan.

Jan Hand is going to be celebrating her 70 years young birthday by travelling with Friends, Lorna, Joan, Mandy and Jan across the pond on a 14 day trip to and around New Zealand, commencing on September 29th to October 14th Jan's Birthday is 30th September. Congrats Jan.

You could bring me home a Kiwi if you like...oops I meant a Tiki... Tee Hee.

P.M. Under attack, a feisty Macaw pushes the button at the MBG. You could be wondering just what that means, well...Member, John Howard, also known to some as P.M. Was enjoying a trip to the

Maleny Botanic Gardens Bird World recently, when this impish Macaw thought he could press the button on John's shirt and the radio would come on. Well that may have disappointed Mr Macaw but not Mr Howard, the MBG is called an unforgettable experience, with exquisite gardens and exotic feathered Friends. Worth the trip when next you are wondering where to go for enjoyment.

Congratulations to Clare and Ron Clune and Yvonne and Dennis Parsons and Gladys and Peter Rohan for making the big move. Best of luck in your new surroundings.

Recent photo of little Mitchell Wallis seated in his new specially designed pram/chair. Special Thank you from Dave Thommo and the Wallis Family to Shawne Scott for filling the latest money tin to the brim.

MEMORIAL DAY 2014

Once again Dave Thommo Thomson sponsored the Clubs Memorial day which is to honour past Members who worked so hard to keep the Club afloat. This year, Members not only enjoyed the BBQ but also the poetry of local, well known and respected Bush Poet Wally Finch who recited some of his poignant and sometimes funny poems, we were then entertained

by none other than our very own Bowls Member, Macca Merchant, who sang some great hits and doing them justice, the music and general atmosphere made for a fun filled afternoon, even caused some movin' and groovin' on the green.

OUR JULY/ AUGUST VISITORS

Joe and Dot welcomed Sharin Geeves from the Caboolture Community Action Group in July to receive a Club donation to the CCA Group from the wrong bias proceeds. CCA Group assists residents of Caboolture who are Homeless ,without funds and food. They supply 400/500 People with food hampers and children’s lunches and school needs each week. They serve over 200 emergency hampers weekly. This is a not for profit Organisation, they hold BBQ’s at Centenary Lakes Tuesday night and their Bertha St premises Saturday nights. So Bowlers just keep up the good work, we know you are only trying to help these worthwhile Organisations when you send down the wrong bias. So Thank you.

A Special Visitor from Victoria popped into the Club to play 10 ends recently, he is on his way around Australia in an effort to make it into the Guinness book of records for playing Bowls at the most Bowls Clubs, the records standing at present is 700 Clubs in 12 months. Chris Thomas had bowled at 57 Clubs within a little under 4 weeks, there is little doubt that he will blitz the record. He is making the Journey to support research into Prostate and Breast Cancer. He played a pretty mean 10 ends against Thommo while Kevin Marked the match.

Congratulations to Ladies Triples Winner for 2014. Carol McNeill, Mavis Partridge and Muriel Belleville

It is so good to see some of our Members back on the green after conquering illnesses. And to others still dealing with various illness and incapacities we wish you a speedy and complete recovery.

Did you know?
 The word “macaroni “ means, Dearest Darling in Italian? So next time you write a letter to your loved one, you can start by saying “Hello Macaroni “.
 Man who run in front of car get tired.
 Man who run behind car, get Exhausted.
 Man who eat many prunes get good run for money.
 Two silk worms had a race, they ended up in a tie.
 She was only a whiskey maker, but he loved her still.
 Man who scratch butt, should not bite fingernails

Mirth and Stuart are off to the Birdsville races, on the bus....odds are.... they’ll love it... I bet. Tee hee

Now we all know that Blond jokes about females have been around for many decades, well, it is indeed time to turn the tables.

1. A Man is in the bathroom and his wife shouts "Did you find the shampoo?" He answers "Yes, but not sure what to do "its for dry hair and I've just wet mine.

2. A Blond man goes to the Vet with his goldfish. "I think its got epilepsy" He says. The Vet took a look and said, "He seems calm enough " the Blond Man says "you haven't taken it out of the water yet "

Oh my how the World has changed. (we are more accurate today)

To Merv and Lynne Gillis Congratulations on your recent 25th Wedding Anniversary. Life together has just begun Look forward to the next 25 years of fun.

Have you checked out our new office floor. Gosh, Golly its gorgeous. Thank you muchly to those responsible Kevin Appleton, Joe Cowan, John Howard, Tim McInerney and Danny Forte. Now instead of tripping over the old carpet, we can float over the new floating timber floor. More good news. Members can now polish their bowls for free. Remember don't put any polish on your bowls before using the polisher.

Your value doesn't decrease based on someone's inability to see your worth.

You must take the good with the bad. ED

A Friend of mine was going to join one of those internet dating sites, I said "why not just do what I do and sit outside Spec Savers and put your foot out and trip a Guy before he goes in, He'll fall for ya every time" Then He'll have his eye on you. Not true, I just made that up, I might give it a try though. ED. Tee Hee

The Green was full at the Memorial Day last month, celebrating the life of those hard working Members some of whom fought to keep the Club functioning.

Club 45 held a successful BBQ in July. 46 Members enjoyed the sausage and hamburger sizzle accompanied by scrumptious salads

Fathers are wonderful people
 Too little understood
 And we do not sing their praises
 As often as we should
 But Fathers are just wonderful
 In a million different ways.
 And they merit loving compliments,
 And accolades of praise,
 For the only reason Dad aspires
 To fortune and success
 Is to make the Family proud of him
 And bring them happiness
 He's a Guardian and a Guide
 And is always on our side.

Happy Fathers day you wonderful Dads

Time to get serious once more.

The grim reaper came for me last night, and I beat him off with a vacuum cleaner...talk about "Dyson with Death" only the Ladies will understand that little bagless gag.

Okay this is just a few lines that I made up, it could make you sick so don't read while eating O.K.?

Lawn Bowls is all about Kitty

Reason being...she's pretty

The Men say...its about Jack

The Ladies reckon

He's just a sad sack

If you believe the Men are right

And you just might, its time to

Pat Jack on the back and send Kitty

To the city...what a pity.

This ditty is just ... Sh ...not witty

I give up...this space is yours..... I'm getting back in the saddle again...much easier

I've run out of time. You will have to proof read this yourself. And just keep the mistakes to yourself. I don't want to know about them o.k?

Spread the Laughter.....

Spread the Cheer....

Lets be happy

You too can take the hard work out of the yard work , save your back from pain if you doing the mowing or your money if you pay someone else.

Welcome to new Sponsors Jocks Garden edging. Above is a display of some of his work at my home, unfortunately the photos don't really do the job justice. Jock and his Brother Daryl, who is a concreter did the edging and driveway. You see, the older I got, the steeper the front yard became. So Dave Thomson recommended Jock and Co. So I gave up the grass and I've been stoned ever since. Who said over 50's are not Hip. Really thrilled to bits with the outcome, the neighbours make positive comments to me. Great job Jock and Co.,
