Stadium Masters Club Records

As at 31 December 2014

The Club Records are compiled by Eleanor Parsons and Suzanne Bird. The process uses Team Manager (TM) as the results management application. Results are automatically uploaded and processed for each member from LLCC's and sanctioned event results. Club swims, Aerobic swims (e1000) and best times are entered manually to TM to create the club records.

Every effort was taken to ensure correctness of these results. Swimmers are requested to report any anomalies to the Club Recorder to maintain accuracy of the Stadium Masters Club Records.
