Athlete Performance

Congratulations to all the athletes who performed so well during the Northern Hemisphere Winter. Australian mogul skiing is going from strength to strength at the moment with one of our best seasons ever now complete.

Special mention goes to Matt Graham and Britt Cox who, between them, bagged a swag of medals on the World Cup circuit. Congratulations also to our overachieving NSWIS and AusMSA competitors including Rohan Chapman Davies who finished third overall on the Noram tour. Please visit the AusMSA Facebook page for photos, video and all the results.

Thank you to AusMSA for the photo of Rohan Chapman Davies at Killington earlier this month. Rohan finished third overall on the Noram Tour this season.

Fundraising - Help!!!

This is the hardest part for the committee each season and sadly necessary. Last year we managed to raise enough money to pay for some good events, buy some coaching equipment, such as two way radios, and we are now planning to purchase a couple of twisting belts for use by NSW athletes at water ramp.

This year we have made arrangements so that **all donations are tax deductible**. We are hoping that this will encourage families to help NSW Freestyle raise the funds necessary to keep our events going and buy much needed coaching equipment.

We hope that everyone can dig deep and give what they can afford to get the 2015 season started. Our goal is to raise \$10,000 from parent and supporter donations this year.

Most importantly, we can assure all donors that the funds will be used wisely towards equipment, events and activities which benefit the widest group of athletes. All money raised remains in a separate account operated under NSW Snowsports which is well managed through our audited not for profit organisation.

To make a donation and take advantage of the tax deduction please go to the Australian Sports Foundation website at:

<https://asf.org.au/make-donation/?pid=1666>

Note that the title of the project is 'NSW/ACT ALPINE TEAMS' SUPPORTER PROGRAM', this program is now extended to Freestyle and all funds will come through directly to the NSW Freestyle account. A tax receipt will be forwarded to you following receipt of any donations.

SSA Freestyle Membership

Please be reminded that SSA memberships will be due in the coming months. Please be sure to join the whole family and nominate each person as a NSW Freestyle member. Our committee does receive part of these funds from SSA under our agreement.

Congratulations Georgie

Congratulations goes to Georgie and Neville Leel who announced the arrival of Isabelle Leel into the World last month. Mum, bub and Dad are all doing great and we wish them very well.

Water Ramp Training Camps

A number of people have asked about Water Ramp training. We can now advise that a camp will be run on 28/29th of March at the Lilydale facility. Josh is also considering running a camp on the weekend prior being 21/22nd March. Anyone interested in attending should contact Josh Himbury by email at joshhimbury2001@gmail.com

Other opportunities may come up during the season for water ramp training, we recommend that you contact NSW Freestyle or your PWSC coach if you would like to make arrangements to attend.

Dry Land Futures Camps for 2015

A Futures Camp is being planned for Sydney on the weekend of 2/3 May. The camp will be held at Sydney Olympic Park at the high performance training centre of AFL team GWS.

Please save this date in your calendar. Details for enrolment will be distributed in the coming weeks.

Whats On in 2015

NSW FREESTYLE AGM AND SEASON KICK-OFF PARTY

On 20th June this year, we will be hosting our AGM at the Man Hotel. Everyone is welcome to come along and participate. Members of NSW Freestyle (via SSA) are entitled to vote at the meeting. An agenda and formal documents will be sent out during the weeks prior.

Following the meeting, we are planning to host an 80's themed party at the Man Hotel to celebrate opening of the NSW Freestyle season. Please save this date in your diaries and get your fluoro gear out of the closet, it is going to be a big one.

NSW JUNIOR SERIES ADDS A NEW EVENT AT THREDBO

This year, the big news for NSW Freestyle is the addition of a NSW Junior Series event to be held in Thredbo on the 18th and 19th of July. This will be in addition to the NSW Junior Series event to be held in Perisher on 1st and 2nd August.

AUSTRALIAN FREESTYLE MOGULS

Dates for the Australian Freestyle Moguls event at Perisher have been moved to a later date than usual. The event will now be held early in September to allow more training time on the course.

INTERSCHOOLS RULE CHANGE

Interschools have revised the rules in 2015 to allow the top 15 individual athletes from State Competition to progress to Nationals. This will relieve a major source of frustration for many good quality moguls athletes who have missed Nationals in recent years by just missing the top 10. Last year in particular some of our best athletes were very unlucky not to qualify in a field which seems to get stronger every year.
