Welcome to the 2015 Season

As we welcome another season ahead, I would like to stop and thank our coaches and administrators who have been working tirelessly in the background to prepare us for Winter 2015. For coaches, the season never stops, and every year I learn more about the endless hard work by so many who are dedicated to the success and welfare of our athletes. It is truly inspiring and motivates our committee to support their effort.

On that note, I would like to wish all the athletes, coaches and of course parents, the best of luck for 2015. We are part of a wonderful community which is the foundation of an exciting sport and past-time for our families.

Don't miss the NSW Freestyle 80's night at Freestyle HQ, The Man Hotel, on 28th June. We will have prizes, guest speakers and an 80's band to help bring back all those memories.

SSA Membership

Please be reminded that SSA memberships are now due. Be sure to join the whole family and nominate each person as a NSW Freestyle member. Our committee does receive part of these fees from SSA under our agreement with them.

Ski Japan Partnership

We are excited to announce our new sponsor Ski Japan for 2015/16. Ski Japan will provide much needed funding to help host our events this year and we look forward to working with Peter Murphy and his team to offer special travel packages for NSW Freestyle members in the coming months.

The sponsorship deal is highly valued and will compliment existing sponsorship arrangements with Canon, The Man Hotel and Lions Lair Lodge.

Donations

Thank you to the very kind parents who have already made donations to NSW Freestyle this year. We really do appreciate your generous support of our organisation as we work to deliver better events and programs in 2015.

As you may know, this year, we have made arrangements so that **all donations are tax deductible**. We are hoping that this will encourage families to support events. These donations can be made personally or on behalf of your business in support of our work.

Last year, funds went towards paying judges, new two-way radios, technical delegate training, athlete support and other important initiatives.

To make a donation and take advantage of the tax deduction please go to the Australian Sports Foundation website at:

<https://asf.org.au/make-donation/?pid=1666>

Note that the title of the project is 'NSW/ACT ALPINE TEAMS' SUPPORTER PROGRAM' Rest assured that every dollar donated will come back to NSW Freestyle.

2015 NSW FREESTYLE FIS TD CLINIC

NSW Freestyle will host a FIS Technical Delegate (TD) course this 2015 Australian Winter season at the Jindabyne Sport and Recreation Centre. Cost is \$100, please contact Toppa directly for further details. There are several components to the course which will run throughout the season starting 27th June.

NSW JUNIOR SERIES ADDS A NEW EVENT AT THREDBO

This year, the big news for NSW Freestyle is the addition of a NSW Junior Series event to be held in Thredbo on the 18th and 19th of July. This will be in addition to the NSW Junior Series event to be held in Perisher on 1st and 2nd August.

AUSTRALIAN FREESTYLE MOGULS

Dates for the Australian Freestyle Moguls event at Perisher have been moved to a later date than usual. The event will now be held early in September to allow more training time on the course.

INTERSCHOOLS RULE CHANGE

Interschools have revised the rules in 2015 to allow the top 15 individual athletes from State Competition to progress to Nationals. This will relieve a major source of frustration for many good quality moguls athletes who have missed Nationals in recent years by just missing the top 10. Last year in particular some of our best athletes were very unlucky not to qualify in a field which seems to get stronger every year.
