## Uniform Orders-Pennant-Tournaments

Uniform orders are now being taken and should be in by now. They will be taken no later than the 15th of July so we can get delivery before pennant starts. Lists are on the board outside the bowlers room or you can email your order to [bowls@lakesideclub.net.au](mailto:bowls@lakesideclub.net.au)

**Pennant Practice Games**

Lists are on the board outside the bowlers room for the 2 pennant practice games organized. Full details of times etc are on the list.

**Medley Fours**

Saturday the 12th of September our first open tournament of the season is on. Entry form is on the board. We also need markers for the singles games in the morning so if anyone is unable to play

the tournament and is free in the morning there is a list on the notice board. Your assistance will be appreciated.

**Members Updates**

Could all members with email addresses please take a minute to send an email to [bowls@lakesideclub.net.au](mailto:bowls@lakesideclub.net.au) with there name in the subject line.

This is the quickest and easiest way to update our email list and also the most accurate.

Also check out

[www.lakesideclub.net.au](http://www.lakesideclub.net.au)

The website has been revamped and eventually all our bowls info will be included there as well.

Currently we are still using [www.salebcc.bowls.com.au](http://www.salebcc.bowls.com.au)

**Bowls Victoria** have advised that the Shot magazine and the Friday bulletins have ceased. In place of both these publications there is now a fortnightly Email newsletter that you can subscribe too from the bowls Vic website. This will be printed out and be on the notice board for those that do not have email

This newsletter will be sent out monthly by email and there will be some printed and available at the club in the bowlers room.

After much discussion it was decided at the Executive meeting of the Sale BC on the 8th of July that lockers will now be available to be rented for an annual fee. Accounts will be going out in the next few weeks except to those that have paid in the last two years.

Lockers need maintaining, keys and locks have to be replaced and in the future the lockers will need to be replaced Also all bowls that are in a locked locker are covered by insurance and this is also a cost to the club.

## Our Volunteers

The committee has selected David Scott (Scotty) as our Club Volunteer of the year Nominee.

This is a new award from Bowls Victoria and all clubs were invited to select a club recipient .

There is not too many days that you can come to the club

and not see Scotty doing something.

Also the committee wish to thank all the members that have been involved in fencing and landscape works, the maintenance of the two carpets and the work on the ditches on the grass green. The sur-

rounds and the greens look great and it is a credit to all involved.
