<b>ITEM</b>	<b>DETAILS</b>	<b>ACTION / RECOMMENDATION</b>
<b>Business Arising from previous meeting</b>		
<b>Game Development Proposal for U/18 and Minkey Competition</b>	Proposal developed by GD cttee submitted to Junior committee last month but no direct response from the cttee back to the GD committee. The request for the Junior Committee and GD committee to meet to discuss was ignored. Tracey S received information from Dapto Club that they wanted the U/18 competition to stay the same. Other comments were that the minkey proposal was a good idea.	That the GD committee work with Ben Senior to assist in the development of individual clubs to have their own Minkey Coordinator so they can develop a junior competition. Clubs will need to start to be proactive and responsible for the development of their players for the greater good of the association and clubs
		In future the GD committee will approach clubs first and get a consensus of opinion for any future proposals
		Distribute GD proposal to all clubs for U/18 and Minkey with date for response by the 5 <sup>th</sup> September 2015
