6 teams / division: promotion & relegation if required.

2. IWH Final series.

- Best player in each game.- was some misunderstanding at beginning of season as to whether points were being given in all grades not just 1st so have not been given each week.

Agreed we accept the numbers we have this year & endeavour to improve process for 2106 season.

- Semi –final draw. Difficult to work with split venue, long day with games from 12.15 – 6.15pm. Sharni to consult with SC & redo more equitable draw.

- Trophies- these are in ISCH budget & organised by IWH committee.

This year will also have per division: Best player of year, & Highest Goal scorer.
Trophies will be presented after each division G. Final in the Centre Club house.

- Further discussion re Fri night Div 1 combined Final. (this was previously set down then as SC are having their GF day on Sat 5th . Now clashes with IAS Presentation night. (If 2 IWH teams involved could possibly negotiate alternative time) Otherwise will remain as set down.

3. Event/gala day – Sept 12th

Question from SC as to whether they can help to organise the day, have referred them to Events & marketing.

This is being organised by ISCH Events & Marketing Committee. Will have games between winners of IWH & SC Div 2, 3, & 4 teams followed by **Grand Final of Div 1**

Div 1 trophies will be presented after this game.

Entertainment for children + BBQ etc.

4. 2016 season

Combined 1st & 2nd competition with separate 3rd & 4th domestic competition.

Rep teams will have trials to select combined teams from over 3 associations. IWH, SC & Shoalhaven.

Meeting however agreed that cannot agree to any games being played on Croome Rd 2nd (sand) field.

“If the only option is to play any 2nd division games on the sand, the answer from the delegates & competition committee is no to combining division 2”

Moved, S Barton, seconded J Hurry. Agreed unanimously.

We are open to discussing alternative options, possible 1 round of combined 2nd division (no sand turf games) which could assist with classification for 2107 season.

Moved S Barton, seconded J Hurry

3rd & 4th visions to remain as 2015, but possible invite neighbouring associations to enter teams.

Meeting closed.
