Congratulations to our Zone Singles “Champs”

Terrigal’s Darren Morrison jumped out of the blocks in the final of the BCC “Blue Ribbon” Singles final to lead all the way over Avoca Beach’s Tony Shoebridge, who came back strongly when the game was all but over. In the Senior Singles, Halekulani stalwart Lindsay Willding played out an arm wrestle against Avoca Beach’s Alan Rogers with the scores locked at 30 all. Breakers / Wamberal Paul Charge came home strongly to haul in Digger’s Robert Dwyer to claim his first Zone title. Using an extended arm Greg Molyneux displayed great skill, consistency and endurance to win the Rookies Singles qualifier defeating Halekulani’s John Guild in the final.

Representative Sides do Zone Proud

Although The Zone 15 defence of the Pat Geary Trophy at East Cessnock BC didn’t go according to plan with Newcastle (Zone 2) slipping under everyone’s guard to win this prestige event for the tenth time since its inception in 1999, it was an excellent workout for our teams selected to play in the State Inter-Zone Sides Championship played at The Entrance and Ettalong Memorial BC’s from 12th-14th September. Let’s hope their performance will make front page news in the Oct/Nov newsletter.

THANK YOU FROM CARL COLLINS

When Varunato took a direct hit from tropical cyclone “Pam” on 13th March 2015, this piece of paradise and popular holiday destination was devastated. Buildings and homes were flattened and local communities were left destitute. Carl Collins the Manager of Jackies Bowls Shop at The Entrance had holidayed at Eratap. Resort on a number of occasions over the years and new many of the local village people. It took some days to make contact, but once he got through, he established clothing was their most urgent need. He put out a plea to the Bowling Clubs on the Central Coast and was overwhelmed by the response. His home Club Halekulani was outstanding and the Breakers Country Bermie at WOMBERD through their members and the Terrigal Sharks Football Club couldn’t have done more at short notice. Carl and his partner Jenny have recently returned from a visit and can report that the “Eratap” people were most grateful for the clothing and to see the kids smiling faces in their Sharks football jumpers said it all.

A BIG THANK YOU TO ALL THAT CONTRIBUTED!
