## SUBSTITUES AND REPLACEMENT PLAYERS

Domestic Regulation 2.1.7 and Law 55.1.6 in relation to the use of Replacement Players has changed so as to no longer allow the use of a Replacement Player in the **FIRST** round of a competition:

- A Replacement Player may replace a constituted player only **AFTER** the first round, for reasons accepted by the Controlling Body (Zone 10 Match Committee).
- **Only the Zone 10 Match Committee can authorise a Replacement Player.** The team desiring the use of a replacement player is required to make written application to the Zone 10 Match Committee with said request.
- A Substitute Player is still permitted for **ANY** round of a competition as per **COP 2.28.3**. Please note: Substitutes are not permitted for a player who has a commitment to another bowls competition and are not permitted to act as Skip. **Venue Controlling Body is able to authorise the use of a substitution.**
