

WINNERS OF THE ALL STARS

Issue 106 February 13, 2016

WITHOUT BIAS

Connie Dragovic shows us what living at **Rivervue** is all about.

Ever popular and former Keilor Bowler, and Board Treasurer, Bob Watt, thanks all who were involved in last Sunday's successful "All Stars" Tournament. Bob along with his son Chris, D. Castorine and W. Fogarty were the outright winners. Bob and his team also took this event out in 2014. He particularly thanked Rivervue, Life Style Living for over 55's, our major sponsor, for without their continual support, this day would not hold the importance that it is renowned for at The Keilor Bowling Club.

Jimmy Knowles report on the day — on a beautiful day last Sunday we staged the 2016 **ALL STARS** and what a successful day it was. All players turned up on time and after being welcomed by **Peter Livy** we got under way on the advertised starting time of 10am.

We had bowlers from Essendon, Altona, Sunbury, Melton, Bundoora, Reservoir, Rosamond, The Avenue, Moonee Valley, Moonee Ponds, Princess Park, Geelong, Diggers Rest, Gladstone Park and St. Albans. The greens where a wash with colour.

The ladies in the kitchen again did a magnificent job under the guidance of *(continued on page 4)*

RIVERVUE IS A PROUD SPONSOR OF THE ALL STARS DAY

Not a remarkable coincidence, just a 1 in 128 chance ...

Joe Bayona and Fred Donaldson have something very much in common. — both are blessed with seven darling granddaughters (no boys) and that’s probably the way it will stay.

So looking up the odds of having seven granddaughters, it is somewhat surprising to read the report from an expert, Ben Haller in Menlo Park, California.

He says on Google, - “Without knowing all the details, I will venture to say that coincidence of seven granddaughters seems likely. Any foetus has approximately a 1-in-2 chance of being female, the chance of seven girls is therefore 1 in 2 to the seventh power, or 1 in 128.”

“If the group reached 15 grandchildren all girls, then a few eyebrows might be raised but the chance of that is still low enough (1 in about 32,000).” Now think of your winning Tattsлото chances. (*one million to one?*)

Joe is so passionate about his magnificent 7.

Catching up on “the good old days” are **Steve Webster** and **Ken Ross**. **Steve** played at Keilor many years ago and on Wednesday night he was back playing a Group 10 Mixed Final with his wife Jo.

Unfortunately the game went against the **Webster’s**, going right down to the last end.

MIDWEEK PENNANT RESULTS

Midweek Pennant was disappointing for all Keilor Sides, on January 28.

Keilor 1 journeyed to Rosamond to find that the green was unplayable.

Keilor 2 lost to Broadmeadows on our home green. Cyd Wilson’s team lost 17 - 29. Leonie Wierzbowski’s team lost 7 - 29 but Cecile Hecht’s team of Gloria Norman (3), Pat Black (2) and Frank Richardson (L) came out of a tight game and won 20 - 25.

Keilor 3 travelled to Deer Park but were washed out shortly after the lunch break, which Deer Park provided for.

Good bowling to all.

With 5 games to go in Night Pennant the Div. 2 South side beat Maribyrnong Park 14-52 to 2-47 to remain firmly on top of the ladder. Also with 5 games to go the Div. 4 side unfortunately lost to Alphington 5-30 to 13-32. They now are 6th. on the ladder but only 8 points from top spot. So we may have both sides in finals.— **Bob Scash**

The crowd has a sensational day

Colin Daniel kindly handed over his gas BBQ to the Bowls Club. It has a rotisserie which will come in very handy once it has been connected to mains gas and set up near the outside kitchen door. All that was required was for **Allen Marshall** to drive up to Romsey and bring it home in the trailer.

It's very unfortunate that our Club has had so many members with health issues this season.

Jimmy Knowles sent this in and it should be the right medicine to cheer you up.

"Sir, please understand, to buy anti depressant tablets, you need a proper prescription . . . simply showing your marriage certificate and a photo of your wife is not enough!" said the chemist.

All Stars Day — continued from the front page

Helen Duddington and Dianne Marshall.

It would be remiss of me if I didn't mention the helpers, Rosemary and Brian Davis, Ivy McLeod, Norma Hore, Shauna Richmond, Pat Black, Margaret Bromley, John and Joy Hamilton, Maureen Sutton, Lorraine Henneken, June McInerney, Julie Isergin, Allen Marshall and Glenda Mullen.

Glenda was also busy capturing the days on her camera for this edition of *Without Bias*.

Special thanks goes to Winston Rizzo who supplied 20 boxes of chocolates for the helpers a very thoughtful gesture.

After lunch it was pleasing for our caterers to have so many compliments from both the visitors and members.

The Bar staff Ken Ross, Allen Black, Julie Copal and Steve Martin were kept reasonably busy throughout the day. Mick Mullen and Allen Black made the most of the captive customers to unload the many raffle tickets.

The "Grand Poobah" Allen Krell did a superb

job recording scores as did Rex Webb on the big score board.

Allen Marshall and John Hamilton were available for the odd jobs that unexpectedly arose during the day.

Nick Isergin did an excellent job umpiring for the whole day.

Congratulations to all who created a great atmosphere on the day, a huge success for **Keilor Bowls Club**.

Wednesday's jackpot

was won by 3 lucky players, from our club who each took home \$166 plus

They had a winning score of plus 3.

It's so nice to have active sponsors and members supporting our club.

Recently a member's daughter was helped out when her front security lock needed to

be replaced in a hurry.

She would like to thank **Jason Knowles** for his expert workmanship and for a job well done. Thanks **Jason**.

Women just having a ball

On **John and Joy's** recent trip to Birchip, Joy was snapped by **Glenys** having a ball with the local Birchip Bull.

Check his eye-balls out.

And out side the New York Stock Exchange poor old Claude was not impressed with two Aussie visitors, **Kaye Donaldson** and **Bernie Thatcher** who were caught handling more than they could afford.
