

MOUTHGUARDS

Did you know that “boil and bite” type mouthguards bought over the counter offer only slightly more protection than NO mouthguard at all.

Duxton Dental are offering superb deals for custom made mouthguards to Marist Hockey players.

1. Single Colour (red/green/blue/black/clear) \$70
2. Multi coloured (Green/black or red/black) \$80
3. Extra thickness superior protection \$95

We will be taking moulds at some of the preseason skills/trial sessions and registration day.

Please text Hayley Hall 021553245 if you are interested to arrange a time.
