

COACHING LESSONS for NEW MEMBERS

As agreed with the Club Chairman, the following is the number of coaching lessons per Membership type

Social Member: **2 coaching lessons,** then review Membership status

Social Bowling Member: **3 coaching lessons,** then review Membership status

Full Bowling Member: **6 coaching lessons** (maximum)

The review of Membership status is to ascertain whether the new Member would want to elevate their Membership status at the completion of their nominated lessons.

The coaching of Probus bowlers is to be managed under the direction of each Probus group's coordinator.
