Umina Beach Singles Final won by Lee Patterson

Australian Open Singles Title No 2

Commonwealth Games medallist Aron Sherriff showed all his talent and class to beat fellow Jackaroo Brett Wilkie 21-15 in the Australian Open Singles Championship played at Broadbeach B C on the Gold Coast. It was always going to be a tough final between two great Australian champions that have previously won this prestige national "Blue Ribbon" title.

The final was played in atrocious windy conditions that battered the spectator stands and at one stage had Aron retrieving a sponsors advertising sign that had blown onto the green. The conditions fully tested both players powers of concentration and the ability to adjust every time they stepped onto the mat as they tried to second guess the challenges of mother nature.

But Aron's big game experience and raw talent was at the forefront of this outstanding victory and he demonstrated to an appreciative spectator crowd the qualities of a true champion we all know he is .

A jubilant Aron Sherriff holds the elusive Australian Singles trophy aloft in triumph

Sydney South West (Zone 12) claim their first Seniors Inter-Zone Sides Championship

The state's best over 60's bowlers staged a spectacular Seniors Inter-Zone Sides Championship at Cabramatta B C with Sydney South West (Zone12) leading all the way in the final over Lower Mid North Coast (Zone 14) to claim their first ever Seniors Inter-Zone Championship title.

For Bowls Central Coast (Zone 15) Section 1 proved a roller coaster ride when they and Newcastle (Zone 2), the two fancied sides, were beaten in the first round. Both sides recovered with wins in round 2 to keep their chances alive for Round 3. Lower Mid-North Coast players thought that their hopes had vanished when they played out 53-53 all tie against Sydney Northern (Zone 9). Newcastle (Zone 2) looked on track to defend their 2015 title leading Central Coast (Zone 15), but Central Coast scored 3 shots on the final end to lock the scores at 55 shots each. It was an amazing outcome with all four sides in the section recording one win, one loss and a draw.

On a point system similar to pennants, Lower Mid North Coast (Zone14) narrowly gained a semi-final berth. Lower Mid-North Coast (Zone 14) who Central Coast defeated in Round 2 was the ultimate runner-up whilst Central Coast was left to pack their bags and ponder upon what might have been.

BCC-Zone 15 Senior Side

All games were played in great spirit and these aging champions showed they hadn't lost their touch on slick running greens.

Ettalong Memorial B C created a Club record when it won its fourth consecutive Grade 1 Pennant flag by defeating Halekulani in the rain delayed Bowls Central Coast finals played at Ettalong Memorial Bowling Club on Saturday 25th June 2016.

A vocal supportive crowd wrapped up in scarves, beanies and rugs was in attendance to cheer on their respective clubs across the seven grades of the competition. Their loyalty was rewarded with a high standard of bowls and the intense competition kept everyone on the edge of their seats.

Within 24 hours of winning his second Australian Open Singles title at Broadbeach B C on the Gold Coast, Aron Sherriff was back on the green at Ettalong steering his team to victory. This is a great example of club spirit and commitment that underpins Aron's character and attitude to the game.

The pain of Halekulani's defeat in the one's was somewhat softened by a strong win over Toukley District in Grade 2, whilst Ettalong defeated Umina Beach to make it back to back wins in the Grade 3's. Toukley RSL was not intimidated by the Ettalong juggernaut with a convincing win over the red, white and blue in Grade 4, whilst The Entrance charged their way to a strong win over Davistown RSL in Grade 5. Terrigal went through the Grade 6 round robin final undefeated whilst Halekulani (1's) chalked up a club hat trick of Grade 7 wins over the past three years, which demonstrates their depth of pennant talent.

The winners of Grade 2 to 7 along with Ettalong in Grade 1 who had already won the Central coast/Hunter conference, will now contest the NSW State Final Series to be played at various locations around the state on 30th/31st July and 1st August 2016
