## Congratulations

### Men's Club Fours

*Finalists: Glen Freebody, Allan Morgan, Bill Wallis, John McDonald, Breeze Howard, Mannie Brookman, Peter Flowers (Pedro), and Mark Dulihtanty*

The Men's Club Fours was played over the weekend 10<sup>th</sup>-11<sup>th</sup> September. Peter Flowers, Allan Morgan, Glen Freebody, and Mark Dulihtanty to play Bill Wallis, John McDonald, Mannie Brookman, and Breeze Howard. The majority of games played on Saturday had to contend with cold and wet conditions, very hard to play your best. Sunday dawned overcast but soon fined up to be ideal early spring weather. Mark Dulihtanty's team, after winning through to the Final on an extra end the previous afternoon, got off to a slow start. By the 5<sup>th</sup> end Mark found his team down 1-9 to Breeze's high achievers. Mark's team scored a double on the 6<sup>th</sup> end but then couldn't add to their score until the 10<sup>th</sup> end when they managed to count three shots their way, 6-13. Breeze again scored a single on the 11<sup>th</sup>, but then Mark started to dig deep to take the next four ends with a couple of multiples, overtaking the lead 17-14 by the 15<sup>th</sup> end. The score seesawed and was 19-19 on the 19<sup>th</sup> end. Game on. With some great draw bowling by

Mark, his team won the last two ends, going on to take the title for this year 22-19.

### Canberra ladies achieve trifecta

*Back: Nene Siaus, Belinda Fardell, Gayle Young, Jimmie Ogle, Front: Lois Waters, Robyn Moxon*

The first weekend of spring saw the Yass Ladies Spring Carnival being played in some unfriendly cold and wet weather. Our club was represented by two teams and as is tradition, Pam Bishop playing with her sister Trish from Warilla and Catherine Hunt subbing for Pam's other sister Maureen who couldn't play this year. The team of Jimmie Ogle, Lois Waters, and Robyn Moxon took out 1<sup>st</sup> place, closely followed by the team of Nene Siaus, Belinda Fardell, and Gayle Young in 2<sup>nd</sup>, with Pam Bishop's team coming 3<sup>rd</sup>. Well done ladies, a great result.

### Doran Bowl

The prestigious Doran Bowl Competition was held at Tuggeranong Valley Bowling Club on Saturday, 17<sup>th</sup> September. Local clubs were represented by teams of 4 players who had been playing bowls for 5 years or less. The CBC team ended up drawing a composite team, 'Allsorts', made up with players from different

clubs to make the draw even. Our team got off to a great start, winning the first two ends. From then on the score seesawed, reflecting the great bowling displayed by both teams. Skipped by Belinda Fardell, Gunda Froewis, Mary Walsh, and Pat Willett combined well and hung on to come up winners. For their second game the ladies drew the Canberra North team who proved to be just too strong on the day. Norths going on to win the Doran Bowl this year. Not to worry, our team was one of the most inexperienced teams there and if they continue to play as good as they did at Tuggeranong, they will be a force to be reckoned with next year.

A special thanks to all Club members who came out to support the team. It made a big difference to the players to see everyone there cheering them on.

*2016 Doran Team: Gunda Froewis, Belinda Fardell, Pat Willett, and Mary Walsh*

### **Tulip Festival**

Success again for one of our teams making the annual trek to play in the Women's Fours Carnival at Bowral. CBC was represented by two teams this year at a very windy (up to 80 km gusts) day in Bowral where an artificial green, the same as our own, has been installed. Carole Thompson, Gil Stenner, Gayle Young, and Julie Hancock finished 2<sup>nd</sup> out of twenty eight teams who came from far and wide. This Carnival is always a popular choice amongst bowlers each year.

### **Women's Minor Triples**

After a full day of rain seeing both our greens under water Thursday, 22<sup>nd</sup> September dawned with a light shower of rain which soon abated and the Minor Triples was played in cool and windless conditions under grey cloudy and threatening skies. The weather didn't deter the teams from coming and enjoying themselves on the artificial green which was running at a medium to fast speed. After two games the players were looking forward to lunch which was prepared by the club Majors. Many thanks to the hard working Majors who put it together on the day so that the Minors could have such a great time.

In the end it was one of our own teams who took out the 1<sup>st</sup> place. After winning their first two games, Pat Willett, Belinda Fardell, and Pat Moffat were down by three on the last end and looked like losing the match. But with her last bowl Pat came through and took out the opposition's closest bowl, scored three and drew the game, enough to win the Carnival. 2<sup>nd</sup> place was won by a Queanbeyan team of Fay Solway, Linda Toohey, and Sandra Warren, while 3<sup>rd</sup> place after points, margin and ends was a dead-heat between two teams, one from Canberra and one from Tuggeranong. Well done ladies and to all the Minors on the day for their good sportsmanship and friendly behaviour. Thanks too to Pat Cass for her tireless effort with umpiring, as she all ways does.

Winners: Pat Moffat, Pat Willett, and Belinda Fardell

Runners Up: Fay Solway, Sandy Warren, and Linda Toohey

Third place: Helen Carter, Bev Jones, Elsie Slater, Nancy Polascek, Pam Parrott, and Monica Denson

## Computer Tip this month

This month I will talk about the Linux Operating system (OS), it can be used to replace windows or reside alongside windows. However in saying that if you want to install it alongside windows then it's essential that you back up your data first.

Should the installation go wrong or you inadvertently make a wrong choice then it might turn your computer into a door stop so backups are essential. But if you want to start off with a clean slate, meaning wiping your hard drive contents altogether then it won't matter how many different versions you try. Linux these days comes in lots of varieties and the best distributions I find are Ubuntu or Mint Linux. Both run the same structure underneath but the on screen presentation is slightly different. If given a choice, I would choose Mint as it can replicate an Apple Mac in the look and feel or be perfectly comfortable as well with windows users.

The best thing about Linux is its open source software so it's free, you can use it on older hardware too. So if you want to bring an old laptop to life then use a lightweight Linux such as Lubuntu or Ubuntu Mate which is a trimmed down version that requires

less memory but works just as well although not as pretty on the screen. The other good thing about Linux is that it's a very stable operating system and would rival Apple OS for its ability to keep going without crashing unlike windows which can be a pain at times.

I personally do all my banking and buying online via Linux machines as it's far more secure than windows. Not that it's bullet proof but virus writers and hackers tend to write code for mass market operating systems and only target structured systems like Linux and UNIX when there are a lot bigger stakes at play such as cyber espionage.

The easiest way to obtain Linux is to download an ISO image file and burn a DVD if your system supports that. Failing that you can also create a bootable USB stick but you need specialist software for that. As most distributions come in a live format, you can boot it up first to see how it looks without installing it. Link to most distributions below but a google online will find many more.

Last Issue's Solution

The second artificial green is well on its way. Ahead of the predicted October installation date, work began on Friday 23<sup>rd</sup> September. Let's hope they get good weather during the installation.
