

Grange Royals Round Up

News from around the club

July 2019 – Issue 15

PLM Bounce Back

It was a weekend off for all of our senior teams, except for the Masters', and we are on the final stretch of the regular season. We have six of our nine senior teams (Masters Women excluded) in the hunt for a top four position.

Our PLM rebounded from three big losses in a row to defeat Adelaide Uni 6-2 last round. It was a slow start to the match but the team put on a show for the supporters day celebrations, completely dominating the game after the first quarter. Currently in fourth position with a five point gap, they can look to cement their top four spot with a win against North East this weekend. They then have winnable games against Burnside, Forestville, and Adelaide Uni in their last six games on their way to hopefully making a second consecutive finals appearance.

Both of our M2 teams are in prime position for top two finishes as the club pushes to get both sides back into the M1 competition. The M2W are currently only two points behind leaders Adelaide who they face this weekend. When these sides met last time it was a 1-1 draw and it was the only time Adelaide have dropped points this season. After the Adelaide game, our women will have a bye before facing the four lowest ranked teams in the division. A top two finish is fait accompli for the second placed M2M who have a nine point gap on third and are trying to hunt down PAC who are three points ahead of them. The team gets an extra week off due to a bye this round before steeling themselves for finals by facing the top side and three other teams trying to finish in the top four. The M3W are in sixth but only one point away from the top four and the team is on a roll, taking down second placed Adelaide Uni 1-0 to make it three wins in a row. It was a tough game but with their sights set on a top four position they knew what they had to do.

The only goal of the match was another cracking one by Kaye Chandler off a short corner, however the team had their opportunities with plenty of attacking play and shorts. Their cohesiveness as a group is improving each week and they are now starting to reap the benefits. In their current form, they should have no worries against bottom placed North East this week but will then face a challenge against runaway leaders SPOC before crucial games against Woodville (currently 4th) and Port (currently 7th).

Sitting in fourth and playing bottom of the table North East this week, the M5W should win and could jump to third by the end of the round. The team has a mixed run home and have to face the top two sides in the next six games, but a win this weekend coupled with a victory over fifth placed SPOC next week will be enough to secure a finals spot.

The Masters Men had a tough 2-2 draw against Seacliff on Monday night after smashing Southern Vets 10-0 the week before. While they would have been happier with a win against the Tigers, a point is crucial at this stage of the season. They currently sit in second, equal points with third placed Forestville, two points ahead of fourth placed Seacliff but more importantly, six points ahead of fifth placed North East. They have had 15 players available the last two weeks and will be hoping that is a common theme in their last five games.

They will be challenged in their run home, which starts this coming Monday against Forestville and then followed by North East, where they will be hoping to get a minimum of four points from the two games.

It was an easy game for the Masters Women against a depleted North East side who were missing 3 of their stronger players, coming away with a 5-0 win. Our women had another great team game where they passed well and utilised the whole team and pitch. Cheers to Zorka who scored three and to Kaye and Bri for their goals off short corners. The team said farewell to Kim Gloyn who has played brilliantly in goals for the team this season and wish her all the best with her new job in Port Augusta.

Junior Round Up

Juniors in the Finals mix

Our top four junior teams are well rested and in good positions to make the top four in their respective grades.

The U18 Boys are second on the ladder and while they have no chance of catching Adelaide at the top, they have to keep winning as North East are only a point behind in third. They face the Zulus this Friday night and also in the last minor round game. They will need a minimum four points from these two games in order to secure the much coveted double chance and advantage in the preliminary final.

Confidence is high in the U15 Girls team following a huge 8-1 win over Burnside. They are currently in second position, eight points ahead of the third and fourth placed team, while only one point behind Adelaide Red who they play in a couple weeks. Going on current form, the girls will be confident they can win the five games against the teams lower on the ladder and the round 13 clash against Adelaide Red could well decide who takes home the minor premiership.

There is vast improvement for the U15 Boys, especially in team work and talk. Their defensive press was well structured and allowed for plenty of interceptions against Adelaide Uni. Passing the ball around the circle and good decision making was the deciding factor in their tight 4-3 victory. The win has them in fifth place, only three points off North East in fourth. After playing bottom placed Forestville this week, it isn't an easy run home having to play all of the top four. However, with the team improving each week and the want to make the finals, wins against Seacliff (3rd) and North East (4th) are definitely possible.

Not many knew what to expect from the U13 Girls this season, especially coach Brenton Perkins, but they have exceeded expectations. They are not only developing their hockey skills each week but having fun while they are at it. It was a tough trip to North East last game and having only the bare 11 proved a challenge for the girls. Although the whole team played a great team game, both teams were evenly matched with a nil all draw. Our girls had lots of great opportunities to put the ball in the back of the net, but a great goalie in the North East goals proved to be the difference. Standouts on the day were Sienna Brown, Abby Luttrell and Jacinta Nacotra. The girls currently sit in fourth and while they have to play the three teams above them in the coming weeks, they should be able to beat Burnside and Seacliff, which will give them enough points to secure a finals berth.

The U11's had a great 3-2 win against North East. It was awesome to defeat a team that beat them earlier this season and the team enjoyed finally getting to 'Razzle' again! Cadence deserves a mention; not giving up, re leading, great trapping, accurate passes, following her passes and running hard. Luka Dawson scored two goals assisted by Zac Bryans and Lachie Kaesler. Georgie Tassell scored one beautiful goal which was a one on one with the goal keeper. The entire team lifted and played a brilliant second half.

The U9 White team had a full list of players to choose from who were ready to play against Burnside Red. They started strong with the majority of the play for the first half. Thomas had a great run down the line then passed to the calling Angelo, who was unfortunately denied a brilliant goal on the line by the opposition. Charlize has stepped up her confidence level and is not afraid to put on a tackle and help move the ball forward. In the third quarter, Juliette had a break away and dribbled almost the length of the pitch towards goal, then being the team player she is passed the ball but an opposition player intercepted.

Kudos to Isaak who made a great save on the line that was so good that even the opposition coach gave him a high five. In a tight game, the teams couldn't be separated in a nil-all stalemate. The U9 Maroon team had a good 6-3 win over Port Adelaide. Henry Tassell was the star, putting away five goals with Amber Murdoch grabbing one for herself. They will look to continue that goal scoring form this weekend against Burnside White, who they defeated 6-1 earlier in the season.
