

FINGER-TAB SIZE GUIDE

1. Turn this PDF file on your I-Pad or tablet PC or your computer and if you need, you can print this paper out.
 2. Adjust 100% magnification and put your hand from the bottom to top.
 3. You can check what size of Fivics top finger tab would be matched on your hand.
- This is only reference one, but even your hand is a little bit bigger than this photo, there is no problem to use it.
