News from around the club

June 2018 – Issue 14

Bowden Bowley Cup this Sunday

Our top three teams have had two weeks off due to a bye after the long weekend, so they are feeling refreshed and ready to fight for the annual Bowden-Bowley Cup against Burnside this weekend.

Burnside has claimed Cup honours the past two seasons, giving them bragging rights for 13 of the last 15 years. We last claimed the Cup back in 2015 when we broke an 11 year drought and this year we have a massive chance of winning it back.

Russell Bowden (Grange) and Bruce Bowley (Burnside) were two great stalwarts of our clubs. Hard, tough, and fierce competitors on the field as players and on the sidelines as coaches. They epitomised the spirit of sportsmanship and mateship, as well as their commitment and attitude of giving the game everything they had, every minute of every game, and never giving an inch to their opponents. After the game, regardless of how tough and hard it was and regardless of the result, they would then shake hands and share a few laughs over a 'few' beers.

Both men have sons, daughters, granddaughters, grandsons and great grandchildren who have played for Burnside and Grange.

They were mates for life and sadly they have both passed on.

Today our clubs honour the men, their contribution to our great clubs, and their legacy. Long may that continue!

The day starts at 2pm with the Premier League Women. Our PLW are showing some positive signs this season and are continually improving with each game. Their three wins from 12 games has them seventh on the ladder, only five points behind Burnside in sixth. Burnside are still in with a shot at making the finals and will be looking at this game as a launching pad for their top four push. In their one encounter this season, Burnside came away with a 2-0 win and this Sunday should once again be a close match. Following the PLW, there will be an Under 9, U11 and U13 Exhibition Game at 3:20pm which will showcase the great young talent both teams possess.

The Premier League Men are at 3:30pm and our PLM will look to continue their winning form after knocking off reigning premiers Seacliff three weeks ago.

Save the Dates

Here are a few key dates for upcoming events at the club. Lock them in your calendar now.

 **Saturday 23rd June - Fiji Raffle Draw**

 **Sunday 24th June - Bowden Bowley Cup**

 **Saturday 7 July - The Incredibles 2 Movie**

When they met in Round 4, Burnside took an early lead and were 3-1 up at halftime but our PLM regrouped and scored two second half goals to end the game tied 3-3. At the time, our PLM were disappointed with the result as they thought it was a game they should have taken three points from. They will be determined to notch a win in this clash and if other results go their way, it will strengthen their fourth place position and give them an eight point buffer on fifth.

Last but not least, the Metro 1 Men play at 5pm and it is possible that the winner of this game determines which club will secure the Bowden-Bowley Cup for 2018. Our M1M have only had one win this season and that was back in Round 1 against Burnside. The 3-0 victory set a promising platform for the year but due a few different circumstances, the positive results haven't followed. This is a great opportunity for the M1M to not only get their second win but to get their season back on

Fiji Raffle Draw

There are some big games for our teams this weekend but arguably the biggest event is our Fiji fundraiser raffle being drawn at the club this Saturday night. The draw will be held at roughly 8pm, prior to announcements.

A number of raffle books are still outstanding so please ensure that you return your books at training this week.

We hope to see the club packed this Saturday night and good luck to all those who have a ticket in the draw.

M4W Win Through Adversity

Things went south for the M4W an hour before the game when the ever reliable Kim Pena had to withdraw from the game. Kim has managed to jam her finger in a retractable hose wheel which required a trip to the hospital and four stitches. That left the team with only 11 players but they were reduced to 10 early into the game as Ruby Tonkin sustained an injury which forced her off the ground. Our women dug deep despite being down on players and were able to come away with a 2-0 thanks to goals from Annie Fitridge and Nicole Whinnett.

Confidence is growing in the Masters Women team and that is really starting to show on the pitch. They picked up their fifth win in seven games with a 3-1 victory against Forestville on Monday night, consolidating second position and keeping the gap to first place at three points. Their team game is their strength and while that improves each week with the enjoyment of being on the field together, the biggest growth area has been the development of everyone's individual hockey skills. The players are willing to try new things on the field and are happy to rotate through different positions. There is a real buzz around the group in their first year as a competitive team and if they continue to have fun, results will continue to come their way.

Congratulations

Congratulations to the following Grange Royals players on their state team selections.

Campbell Fielke who has recently been selected to represent South Australia in the U13 Boys State Team.
