SUBJECT: Heat & Inclement Weather Policy Update

The enclosed Bowls SA Heat & Inclement Weather Policy was adopted at the January meeting of the Bowls SA Board.

While controlling bodies have the option of designing a policy that provides flexibility around postponements, cancellations and rescheduling, in the interest of the health and well-being of all participants, Bowls SA strongly encourages all Associations and Member Clubs to adopt an all year Heat & Inclement Weather Policy that falls within the parameters of the Bowls SA Heat & Inclement Weather Policy – **in summary, play must not proceed in any capacity if the temperature reaches 38 degrees Celsius or more** - and ensures a duty of care is maintained at all times.

Please note that the Bowls SA Heat & Inclement Weather Policy Annexure A applies for Bowls SA run State Events, and the allocated stations are currently undergoing another review to ensure the most appropriate weather station is designated to each club.

If you require any further information, please contact Bowls SA on 8234 7544.

Kind Regards,

Erin Haines
