

PRESIDENT'S UPDATE NO.18 September 2018

Greetings! This update is mainly for the 19 new Presidents.

In Brief. The MBA has been in existence since Sept. 2016. We have set high standards in consultation with clubs and providing information regarding pennant matters. We have reduced pennant costs to clubs significantly. We believe the Festival of Finals we organised in March was a feature event enjoyed by all levels of bowlers.

Why was the MBA formed? In the Bowls SA Annual Report “the formation of the MBA was to allow Bowls SA to concentrate on other matters.”

Delegates. The decision to make the Presidents of Clubs the delegates for meetings was significant. We welcome your involvement as a leader.
