

Selection Criteria for the Cadet Oceania Championships Noumea, New Caledonia, 6 - 8 April 2018

1. INTRODUCTION

- 1.1. The selection criteria for Cadet Oceania Championships 2018 (**Competition**) will be underpinned by the following principle:
- 1.1.1. Australia will maximise its gold medal winning opportunities by selecting the current best performing athletes.
- 1.2. Selection of Athletes to represent Australia at the Competition will be made according to the criteria outlined in this document. In the event there is a Teams Competition held as part of the Competition, only Athletes selected for Competition will be selected for any Teams Competition.
- 1.3. The JFA is commencing a new National Points System (NPS) from 1 January 2018. In the interest of certainty and transparency for Athletes and coaches alike, selections for this Competition will be governed by the new NPS. The points table used for this selection **will not** have results prior to 1 January 2018 considered.

4. SELECTION PROCEDURE

- 4.1. All Athletes considered for selection must meet the Minimum Standards and Eligibility Requirements as stated above at the time of selection.
- 4.2. The aggregated points on the Cadet National Points Table (**CNPT**) gained from the **2018 ACT International Open** and the **2018 Queensland International Open ONLY** will be the primary data used to inform selection for the Competition. This is in recognition of the reality that Cadet Athletes need to often change weight divisions due to the fact that they are still growing.
- 4.3. Eligible Athletes will be considered for selection for the Competition in the following priority order:
 - 4.3.1. Athletes who gained the highest aggregated points from the 2018 ACT International Open and the 2018 Queensland International Open in their respective weight division will be the first Athletes considered for selection.
 - 4.3.2. In the event that two or more Athletes in a single weight division have equal highest points at the end of the 2018 Queensland International Open, the Athlete who achieved the best result at the 2018 Queensland International Open (and if they are still even, at the absolute discretion of the NSC) will be the first Athlete considered for selection under clause 4.3.1.

In the interests of clarity, Athletes who are selected pursuant to clauses 4.3 are referred to as **“Direct Qualified Athletes”**.
- 4.4. In respect of eligible Female Athletes who do not satisfy the requirements in clause 4.3 above, selection for the remaining quota positions for Female Athletes will be determined at the absolute discretion of the NSC. In exercising its discretion, the NSC will be guided by the following principles:
 - 4.4.1. The NSC is not required to fill all remaining quota positions.
 - 4.4.2. Athletes who gained the highest aggregated points from the 2018 ACT International Open and the 2018 Queensland International Open in their respective weight division (excluding Direct Qualified Athletes) will be included on a ranking list for possible selection for the remaining quota positions (**“Quota Ranking List”**). For the purposes of clause 4.4.2, in the event that two or more Athletes in a single weight division have equal highest points at the end of the 2018 Queensland International Open (excluding Direct Qualified Athletes), the Athlete who achieved the best result at the 2018 Queensland International Open will be the Athlete (and if they are still even, at the absolute discretion of the NSC) included on the Quota Ranking List.
 - 4.4.3. Athletes on the Quota List will be ranked from highest to lowest based on their aggregated points gained from the 2018 ACT International Open and 2018 Queensland International Open. In the event that two or more Athletes on the Quota Ranking List have the same number of points, the ranking of these Athletes will be determined at the absolute discretion of the NSC.

4.4.4. Athletes on the Quota Ranking List may be considered for selection to fill the remaining quota positions for the Competition at the absolute discretion of the NSC. In exercising this discretion, the NSC will take into account a number of factors, including (without limitation):

4.4.4.1. There must be a maximum of two (2) Athletes per weight category;

4.4.4.2. Clauses 2.2 and 2.3 of this document (above);

4.4.4.3. An Athlete who has a higher ranking on the Quota Ranking List will be preferred over an Athlete who has a lower ranking on the Quota Ranking List.

4.5. In respect of Male Athletes who do not satisfy the requirements in clause 4.3 above, selection recommendations for the remaining quota positions for Male Athletes for the Competition will also be determined according to clause 4.4 above.

4.6. The NSC may (at its absolute discretion) select from the Quota Ranking List reserve Athletes for the Competition.
