The Weekly Bias Newsletter – Tuesday, 6th November 2018

Good morning everyone

What a week that was!! Such a superb effort by everyone involved with the AP&ES Games. This was a wonderful honour for our club to be able to host such an event, so thank you to everyone who gave up their time. We appreciate you all so much.

Just a few of our valued volunteers who made the photo on Saturday.

Ladies & Men's Bowls – Doug Myers, Men's Captain

What a week we have just experienced! The Australasian Police and Emergency Services (AP&ES) carnival put the Halls Head Bowling Club's resources to the test and we came through with flying colours. It really made me feel proud to be involved in such a wonderful club and its members.

As the dust was settling, we got involved in one of our premier events, the Harcourts Cup that was run on Sunday. We are extremely lucky that the club has such generous sponsors in Paul and Lisa Harris. This charming couple are truly great members of the Halls Head Bowling Club.

It was a busy day and the event was eventually won by Keith Guelfi and Pauline Peirce and they walked away with a cool $1000 first prize. Graham and Kerry Steele worked hard all day and captured second prize while Linda and Richard Young came in third position.

The first leg of the Men's Pairs Championship is scheduled for next Sunday 11 November 2018. Nominations for this event will close on Friday 9 November so get your names in if you want to participate. The last nominated team will be relegated to reserve status if numbers are uneven.

The Novice and Veteran's Singles nomination sheet has been placed on the notice board so get your names in if you are eligible for these events. You should be over 70 years of age to play in the Veteran Championship. You need to have been bowling for less that two years to qualify for the Novice event.
