

2019 – 2020 End of Season Awards

Public

President's Message

Welcome everyone to the 2019-2020 FLAC end of season awards presentation.

Not the way we had hope to end out one the most difficult seasons we've faced. From heat, rain, wind, smoke and now pandemic, we certainly had our challenges.

We are blessed with a fantastic and hardworking committee who have made every week run extremely efficiently and smoothly each week. Hopefully they inspire a few more of you to step up and join the committee later in the year when we hold our Annual General Meeting.

The current committee would like to offer thanks -

- To our core volunteers, the time keepers, the Starters, the duties manager, the BBQ and canteen managers.
- To our wonderful Age Group Managers, the people turn up every week and look after all the athletes, ensure each event runs smoothly and record results.
- To our parents/caregivers for doing duties and helping make the program run efficiently.
- To our coaches for their patience and persistence in helping our athletes improve their skills.
- To our sponsors PARC, Sk8house, Coles & Subway for providing vouchers and helping us purchase new equipment.
- And finally to ALL our athletes who have a go and try their best each week.

Iain Finlayson
FLAC President

Public

Award Structure

Trophies - Track & Field

Every athlete from each male and female age group will be awarded with a trophy for their efforts during the season. Athletes will receive one of the following trophies (in order of distribution); Age Group Champion (1st, 2nd or 3rd), PB Champion, Encouragement Award or Participation Award. Once an athlete is awarded a trophy they are no longer eligible for a subsequent trophy, therefore an athlete cannot receive multiple awards.

Age Group Champions (1st, 2nd & 3rd)

Throughout the season athletes are awarded points for their attendance, participation and performance. At the end of the season points are totalled and the three highest point scorers (1st, 2nd & 3rd) in each age group, male and female separately, are recognised and awarded as their respective age group's champions.

Personal Best (PB) Champion

Throughout the season athletes are awarded a 'PB Star' every time they better a previous best. At the end of the season the athlete in each age group, male and female separately, who has earned the most PBs is recognised and awarded their age group's PB Champion. Note: this award cannot be received by an Age Group Champion.

Encouragement Award

This award is determined by the Age Group Manager for each age group, male and female separately. It is typically awarded to an athlete who has shown a great display of dedication, commitment, perseverance, sportsmanship, encouragement and friendship throughout the season.

For more information go to the Trophies & Points page on the FLAC Website.

Collecting Trophies

Trophies will be available for collection as soon as it is safe to do so.

Stay tuned for announcements as to when it is safe to gather again or use Frankston Council facilities.

Until then, massive

to all athletes who came along and did their best this season.

Can't wait to see you all again in person.

Until then, stay safe and look after each other and don't forget #athsathome
