*Sat 18 November 2017 – No Pennant due to the BV Victorian Open being played

IMPORTANT GENERAL INFORMATION FOR CLUBS

1. Not all the "special requests" from clubs could be accommodated like "all sides play at home and/or away together" etc as it unbalances the general home and away sequence and creates a cascade effect for their opponents' other sides, the home and away balance has priority over all "special requests".
2. Several Club Sides may still find they are still playing in a higher Division than last year, this is caused by Clubs in higher Divisions not having Sides entered this year. The Selection process for these promotions was the next best performer in the Sectional Quarter Finals from the previous season. All BV Divisions are filled from Division 1 down in ascending order.
3. Clubs with multi-sides entered in the same Division will naturally incur further travel which is unavoidable as their Sides are placed in adjoining Section draws so their Sides do not have to play each other. In exceptional circumstances or with a specific request to the BV Metropolitan Pennant Committee a Clubs two sides may be placed in the same Section in the lowest Division only to avoid excessive travel, this request MUST be on your original entry – not after the fact
