Recognising our Volunteers

A report delivered to the Committee late last year identified that two club members over a period of ten years have managed to save our club around \$50,400. This equates to a saving of \$33.00 per member per year for ten years (based on 150 members).

Dean and Pam Pettman have volunteered an immeasurable amount of time both at the club and their home repairing and making cardboard-backed target faces. Many clubs throw away used faces and charge a shooting fee on top of their membership fees to cover replacement costs. They are obviously not lucky enough to have a 'Dean and Pam' at their club!

As a small thank you for their generosity and hard work, in the break last Thursday Pam and Dean were presented with \$100 to go towards a dinner or other activity of their choice.

The Biggest Morning Tea

At the Biggest Morning Tea held on Thursday May 25th, \$187 was raised for the Cancer Council. Thank you to the Archers who supplied delicious food.
