

## CLUB GRANTS SCHEME 2023

*(Application Period: 1 November, 2022 – 30 June, 2023)*

**Eligible clubs may apply to ARCHERY SA on an annual basis, or as otherwise determined from time to time.**

- The scheme will be managed by the Finance, Grants & Audit Committee, which shall report to ARCHERY SA
- An eligible Club is one that is incorporated and affiliated with ARCHERY SA and has been in operation for more than 12 months
- Applications open each year on 1 November and close 30 June
- The maximum grant money available is to be funded from interest income of the previous financial year and in total shall be no more than \$10,000 per annum. If interest income for the preceding year exceeds the amount approved as grants under this policy, that excess will be carried over to the following year and available for grants in that later year. The maximum grant available per application is **\$500** of the available funds **(For 2023, the total of the available funds is \$1,800.)**
- Applications will be considered on a first come/first served basis. If all money in the pool has been expended, then applications will be held over until the next grant period
- The grant will be for funding activities that **benefit and promote the sport in general**, rather than an individual or normally funded club activity. An example would be advertising and running a "Come & Try", hosting a Coaching Programme or improving safety
- If the grant application is successful, the Club needs to invoice ARCHERY SA for the amount granted
- Upon completion of activity, the successful applicant(s) should submit a report to the Finance, Grants & Audit Committee that outlines the outcomes for which the grant was provided. Failure to present a report may prejudice future applications
