By crikey all our Blokes and Sheilas out there

That time of year has arrived where we all love to get the barbie out. Grab a few lamb chops, your favourite spud salad and coleslaw and don't forget to chuck a few prawns and snaggers on as well. Have a rip snorter of a day with family and friends, whether at home, the beach or here playing bowls. Be safe and enjoy your Australia Day weekend. We truly are blessed to live in this beautiful part of the world. Happy Australia Day (week) from us lot in the office. Remember that on Monday 28th January it is a public holiday and no, we are not chucking a sickie ☺ See you Tuesday.

Ladies Bowls – Patsy Smith, Captain

The Triples Championships are well under way with some great games being played. Several of our novices were included in teams and have performed extremely well.

The Novice Singles will get under way this week all going to plan. The novice games will be spread out over several dates but it is hoped that the last two rounds will be played on Sunday 24th February in line with the Club singles finals. I will be in contact with all novices this week.

The chart is up for the Super Sixes. This is a popular event and I expect good numbers. Men are invited to join us however we must have multiples of 12 so some may miss out. Singles Championship entries are coming in slowly. I think members are keeping an eye on the weather forecast before committing to play.
Good luck to all divisions for the last games of pennant fixtures. May we all jump higher up the ladder. Those divisions already in the four - Red, Purple and Black - keep up the good work.

Men's Bowls – Doug Myers, Captain

Another fairly quiet week for men's bowls although there was a bit going on away from the club. Twelve Halls Head bowlers travelled by bus to Ashley Kemble's old stamping grounds at Dumbleyung. They didn't fare well on the one and only green but had a wonderful boozy time at the pub and club.

Friday mixed scroungers continues to attract lots of bowlers; 74 players turned up last week. Three bowlers scored 11 shots each in the final resulting in a one-bowl play off. John Smart eventually won with a bowl that nearly went in the ditch but it was closer that runner/up Lyn Taylor's and Denny Berson's efforts.

Wednesday social bowls attracted 54 players, in spite of the Dumbleyung group's absence and a couple of teams that played at Port Bouvard.

There was a great response to Keith Guelfi's offer to run advanced bowls coaching. I believe that another session is scheduled to be run on Monday 4 February.

In spite of some rumours to the contrary, there will be mixed social bowls on Australia Day, Saturday 26 January. There will be a flag raising ceremony at 3. 00 pm followed by a game of bowls and late afternoon sausage sizzle. A nomination sheet has been placed on the Mixed Bowls notice board. Please record your names for catering purposes.

Please take extra care around the Greens at the moment. Our lighting project is coming along nicely and we apologies for any inconvenience; however it will be FANTASTIC when this is completed.

Your safety is paramount to us ☺
